In The Land Between,
Page 34/42

author Jeff Manion uses the biblical story of the Israelite's journey through Sinai desert as a metaphor for being in undesired, transitional space. After enduring generations of slavery in Egypt, the descendants of Jacob travel through the desert (the land between) toward their new home in Canaan. They crave the food of

Download Free Holden Rodeo

their former home in Egypt and despise their present environment.

They are unable to go back and incapable of moving forward. The Land Between explores the way in which their reactions can provide insight and guidance on how to respond to God during our own seasons of difficult transition.

The book provides fresh

biblical insight for
people traveling through
undesired transitions
(e.g. foreclosure,
unemployment, parents
in declining health, post-
graduate uncertainty,
business failure, etc.)
who are looking for
hope, guidance, and
encouragement. While it
is possible to move
through transitions and
learn little, they provide

our greatest opportunity
for spiritual growth.

God desires to meet us
in our chaos and
emotional upheaval, and
he intends for us to
encounter his goodness
and provision during
these upsetting seasons.
