Listen -- can you hear it? The explosive sequel to THE ROAR! From a whisper...to a scream! Telepathic twins Mika and Ellie at last are reunited. But if they're ever to free the brainwashed, microchipped child soldiers, they must pretend to play along with the tyrant Mal Gorman's maniacal plan, even as they mind-read his every evil thought. Members of an elite squadron of mutants, the brother and sister have specialized skills that will enable them to steal the top-secret formula for an age-reversing drug developed by rebel scientists on the wild side of The Wall. Juiced by these potent pills, the cadaver-like Gorman foresees a future in which he'll be forever young - released from the machinery that now supports him. Unless, that is, Ellie and Mika have a master plan of their own: to bring the all-powerful Gorman to his knees, and face-to-face with his greatest fear.

A nation of billion+ needs a billion people nurturing it with mindful actions. A book that offers highly actionable ideas on how every Indian - from a child to a senior citizen can participate in nation building. Gender , age , education , socio economic status does not matter. You don't even have to be within the geographic borders of India. You can be anywhere on the planet and contribute towards making a positive difference in India. From food to environment to water to Swachh Bharat and many more aspects where we can make a positive difference to the country as we go about our daily lives. Stories of unsung heroes from across India will leave you enormously inspired. Citizens have shared their action ideas. The youngest contributor is 7.5 years. The oldest is 104 years. The author invites you to read, reflect and write your ideas and bring them to life with your actions. Inspire India with your actions. Get inspired by the actions of fellow citizens. Join the journey to be an #IndiaPositiveCitizen

This popular book examines the growing diversity in schools in a constructive, empowering manner. The authors identify various forms of cultural diversity and suggest ways that teachers can build inclusive classroom environments. Each of the 7 topical chapters deals with a different form of diversity in school: a) racial/ethnic, b) religious, c) ability, d) socioeconomic class, e) linguistic, f) gender diversity, and g) activities. Ways for enabling students to discard existing stereotypes and actively question and reject attitudes and actions not congruent with a pluralistic society are suggested.

The Teacher's Grammar Book, Second Edition introduces the various grammars that inform writing instruction in our schools, and examines methods, strategies, and techniques that constitute best classroom practices for teaching grammar and writing. Designed for students who are preparing to become English or language arts teachers, as well as for credentialed teachers who want an easy-to-use guide to questions of methods, grammar, and teaching, this overview of basic English grammar includes the following major topics: a brief history of grammar, teaching grammar, grammar and writing, traditional grammar, transformational-generative grammar, cognitive grammar, dialects, black English, and Chicano English. New in the reorganized and fully updated Second Edition: *new chapter giving a brief history of grammar and grammar instruction; *new chapter on best practices--strategies and techniques that actually work; *expanded chapter on cognitive grammar--a topic not found in other texts of this nature; *expanded chapter on dialects; *summary and evaluation of the minimalist program (Noam Chomsky's most recent revision of transformational-generative grammar)--a topic unique among texts of this kind; and *reduced discussion of transformational grammar.

REALIDADES is a standards-based Spanish curriculum that balances grammar and communication. The program offers technology designed to integrate language and culture to teach and motivate all students.
