No one had ever looked at her and seen perfection--until now. Delicate, titian-haired Theresa Noble has met her father's associates in the past, but the gorgeous, Italian-born Sandro De Lucci leaves her speechless. Eighteen months into their marriage, however, Sandro has turned to ice. Desperate to escape a relationship that has proven to be as stubbornly passionate as it is cold and hateful, Theresa summons up the courage to ask for a divorce. But before he'll grant her request, Sandro demands something from Theresa: a son. The stalemate sickens her. Never mind that Sandro has yet to introduce Theresa to the large family that means so much to him. Or that Theresa overhears her husband on the phone with a mystery woman. Most damning is that Theresa senses, in Sandro's treatment of her, the behind-the-scenes machinations of Jackson Noble, her cruel father. From the depths of her anxiety, Theresa must seek an empowering truth about the husband who calls her, with such cold affection, his cara, his beloved.

Then she meets Margot Banks, an alluring socialite who is part of an elite clique secretly known as the Hunting Wives. Sophie finds herself completely drawn to Margot and swept into her mysterious world of late-night target practice and dangerous partying. Shannon Page has been a backwoods hippie child, a nude model, a trophy wife, a failed realtor, a successful copy editor, and a wine enthusiast. She has been monogamous and polyamorous, vegetarian and enthusiastically carnivorous, poor and rich. But she has always been a writer. In this engaging collection of essays on topics ranging from personal growth to money to relationship styles to life on a remote island in the Pacific Northwest, Page explores the pressing questions of life, such as why she never wanted children, why do we have to wear bras anyway, how to make cassoulet, what to do when you're snowed in, what it was like to pose for Playboy, and how to write a novel in three weeks.Other essays include reflections on the loss of parents, money and inequality in relationships, reclaiming a yoga practice after falling badly out of shape, and waiting (or NOT waiting) for permission to do what you really want to do.Tying all these threads together is Page's warm and welcoming voice. So get comfortable, put your feet up, and have a favorite beverage by your side-because once you start reading, you won't want to stop.

Many plays have borne the signature of William Shakespeare-but not all of them were actually written by him. This volume collects all of those plays attributed to the Bard at one time or another that scholars today reject. It provides accurate, complete texts, with critical and supplementary matter by Shakespearean scholar C.F. Tucker Brooke. Still performed, studied, and enjoyed, this is a delicious feast of frauds. Originally published in 1908, now back in print after nearly forty years.
