It goes through some of the major flaws with quantifying how 'good' one is and how there is no real reference book or manual for being 'good'. It loses me in the last section where it just jumps to the conclusion (IMHO) that Christianity must be the only way since no one is good enough and through Christ all is forgiven.

How Good is Good Enough? by Andy Stanley

Good Enough is Good Enough High ambitions are noble and important, but there can also come a point when they become the sources of terrible trouble and unnecessary panic. One way of undercutting our more reckless ideals and perfectionism was pioneered by a British psychoanalyst called Donald Winnicott in the 1950s.

Good Enough is Good Enough -The School of Life Articles ...

In our culture, with its focus on excellence and perfection, good enough is usually considered not enough. While that may be the conventional wisdom, good enough is sometimes exactly what you need...

Good Enough Can Be Great - Harvard Business Review

Good enough is not mediocrity, or merely good. It simply means that, at the current time, all things considered, there are sufficient benefits, and no critical problems. Think of it as a means of driving continuing improvement.

Good enough is good enough! | British Journal of General ...

In some professions or situations, 'good enough' is pretty close to perfection. For example, a good enough operation by a brain surgeon is going to have to be damn good in order to minimise the risk of disaster.

Maybe at Villa he felt he had to do it all himself because no-one else was good enough (although not this season). If he can learn to these skills he can become a top player, but for me not right now.

How Good Is Good Enough? - The School of Life

Surely there's more than one way to get to heaven? Bestselling author Andy Stanley addresses this popular belief held even among Christians. But believing that all good people go to heaven raises major problems, Stanley reveals. Is goodness not rewarded, then? Is Christianity not fair? Maybe not, he says. Readers will find out why Jesus taught that goodness is not even a requirement to enter heaven - and why Christianity is beyond fair. Andy Stanley leads believers and skeptics alike to a grateful awareness of God's enormous grace and mercy. Good People Go to Heaven...Don't They? Sure they do. It only makes sense. Actually, it doesn't really make any sense at all. Smart, educated, accomplished men and women everywhere are banking their eternities on a theory that doesn't hold water. Chances are, you've never really thought it through. But you owe it to yourself to do so. Find out now what's wrong with the most popular theory about heaven~and what it really takes to get there.

Special 6-pack, ideal for church giveaways, welcome packets or small group distribution. Surely there's more than one way to get to heaven? Bestselling author Andy Stanley addresses this popular belief held even among Christians. But believing that all good people go to heaven raises major problems, Stanley reveals. Is goodness not rewarded, then? Is Christianity not fair? Maybe not, he says. Readers will find out why Jesus taught that goodness is not even a requirement to enter heaven - and why Christianity is beyond fair. Andy Stanley leads believers and skeptics alike to a grateful awareness of God's enormous grace and mercy. 6 pack of Paperback books.

The book analyzes evangelical Christianity as a comprehensive perspective for understanding the range of contemporary policy issues in America. It finds that evangelicalism can be understood as a distinctive approach to understanding policy debates, that evangelicals are not as monolithic as commonly thought, but that their policy activism is still marred by significant shortcomings, namely their failure to employ non-biblical arguments and rhetoric that might resonate with non-evangelical Christians.

A young girl with an eating disorder must find the strength to recover in this moving middle-grade novel from Jen Petro-Roy Before she had an eating disorder, twelve-year-old Riley was many things: an aspiring artist, a runner, a sister, and a friend. But now, from inside the inpatient treatment center where she's receiving treatment for anorexia, it's easy to forget all of that. Especially since under the influence of her eating disorder, Riley alienated her friends, abandoned her art, turned running into something harmful, and destroyed her family's trust. If Riley wants her life back, she has to recover. Part of her wants to get better. As she goes to therapy, makes friends in the hospital, and starts to draw again, things begin to look up. But when her roommate starts to break the rules, triggering Riley's old behaviors and blackmailing her into silence, Riley realizes that recovery will be even harder than she thought. She starts to think that even if she does "recover," there's no way she'll stay recovered once she leaves the hospital and is faced with her dieting mom, the school bully, and her gymnastics-star sister. Written by an eating disorder survivor and activist, Good Enough is a realistic depiction of inpatient eating disorder treatment, and a moving story about a girl who has to fight herself to survive.

"A ... series of Christian daily reflections on learning to live with imperfection in a culture of self-help that promotes endless progress"--Provided by publisher.

Have you ever felt average? That you're not special or extraordinary, just . . . normal? And that chances are society's obsession with always being the best and smashing life is setting us up for failure? Years of striving and pushing to be better than everyone else are breaking us. Fear of disappointment and our pursuit of someone else's definition of success tell us we're not enough. They tell us to work late, then work hard in the gym, overcommit, then post about #selfcare on our painstakingly curated social media feeds. They tell us to push ourselves until we break, all to prove our worth, to show we deserve our place. But are we tolerating the lows to reach the fleeting highs, and are we missing all the good stuff along the way? Why are we programmed to live like this, and is it society that needs to change, not us? One thing's for sure - it's better to be average and happy than exceptional and miserable. We're all good enough, just as we are.

Getting 100 % on the SATs, or getting a date with a cute trumpet player? Scoring top honors in youth orchestra, or scoring tickets to a punk rock concert? Following your parents' dreams to an Ivy league college, or following your heart? It's senior year, and Patti Yoon is about to find out what it really takes to be good enough!

Shows how perfection can cause depression, low self-esteem, and other problems and leads readers through a comprehensive program designed to release them from its grip.

In this updated 10th anniversary edition of Gillespie and Temple's groundbreaking research, Good Enough Is the New Perfect shows that modern mothers really can have it all. The pressure on women is real. We dominate in our jobs while simultaneously juggling the needs of our families and our homes. But what about our own needs? With so many balls in the air, finding balance is harder than ever. The truth is that you can have it all. The secret is creating an 'all' that you love. Through their extensive research, Becky Beaupre Gillespie and Hollee Schwartz Temple have discovered a paradigm shift in motherhood: more and more mothers are losing their 'never enough' attitude and embracing a 'good enough' mindset to be happier, more confident and more fulfilled. With inspiring firsthand accounts from working mothers, Good Enough Is the New Perfect is a true roadmap for the incredible balancing act we call motherhood and getting what you really want out of your career, your family and your life. 'Most moms I know don't even want it all. We just want less stress and enough time. But how can we achieve it?' [Good Enough Is the New Perfect] sheds light on this question. 'The Washington Post

Perfectionism may seem like a worthy goal, but it's actually a burden. When you believe you must be perfect, you live in constant fear of making mistakes. Most children don't know what perfectionism is, yet many suffer from it. Nothing they do is ever good enough. School assignments are hard to start or hand in. Relationships are challenging, and self-esteem is low. Written to and for ages 9~13, this book helps kids understand how perfectionism hurts them and how to free themselves. Includes true-to-life vignettes, exercises, and a note to grown-ups.
