Because it's based on the same hush-hush psychological tactics advertisers have used for centuries to get filthy rich. They work for anyone, anywhere and at any time (no matter how desperate your situation is right now).

Much has been written about becoming an "alpha male" most of it is regurgitated nonsense and yet still many males obsess over this concept. What does it mean to be an alpha male and (more importantly) how can I become one so that I can reap all of the benefits that I hear so much about.

That men will respect me, girls will want me, and overall I'll be a dominant leader.

While the word alpha male means different things to different people it

always conjures up the same idea. The man who is the head of the pack, that men respect and women want. A man that put bluntly we'd all like to be a little more of. While we all agree on the concept of an alpha male most go wrong with their application. They go wrong because they fail to understand that becoming an alpha male is a biological process. They say be confident or think of yourself more and boom you'll be an alpha male that's reaping all the rewards. But it's not that simple like I said becoming an alpha male is a biological process not just changing a mindset.
