When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's "obnoxious optimism", convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. 100 Days of Sunlight is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down.

This book aims at enriching your knowledge and putting the power back into your hands when it comes to cleaning your home and inevitably controlling what harmful contents you and your family get exposed to in the home environment. The really great thing about making your own cleaning products at home is the fact that most recipes are versatile and can be used for many different purposes, eliminating the problem of having too many different cleaning products, but you will find target specific ideas here to help you clean effectively and eco-friendly. The recipes have been placed in categories such as kitchen cleaning and bathroom cleaning so if you are looking for something specific, just have a look at what area you need to clean and then cross reference with the index. There are some great tips on general cleaning and upkeep in and around the house too. It's safe to say that when in doubt, always try using vinegar or baking soda or a mix of the two first to see if that helps. For everything else, use this book as a reference on how to get the job done.
