Continuing on from the previously published Primary School English-Language Education in Asia: From Policy to Practice (Moon & Spolsky, 2012), this book compiles the proceedings which took place at the 2011 annual conference of AsiaTEFL which took place in Seoul, Korea. It surveys the current status, practices, challenges, and future directions of Secondary English education in 11 diverse countries - in Israel, Japan, Korea, Singapore, Bangladesh, India, Indonesia, Malaysia, Pakistan, Vietnam and China. Given the importance of secondary English education as the central feature for continuing development of target language and culture in English language teaching in Asia, each contributed chapter includes key policies, theories, and practices related to the development and implementation of country-specific curricular and instructional programs in secondary English educational contexts in these countries. Secondary School English

learning. Each piece of guidance provided in the textbook is supported by Band 6 examples using prescribed texts from the 2018 Year 12 Advanced English syllabus, so that students may see and learn for themselves how to improve their writing. The strategic philosophy of the textbook allows students to independently master HSC English without having to rely on tutoring or copious amounts of memorisation. The 250+ pages textbooks are divided into three sections: Practical Skills: including guides to essay preparation, essay writing, adapting to exam questions, writing in different formats such as speech, and supporting workbook exercises. Discovery: including syllabus deconstruction and clarification, creative writing, responding to short answer questions, 2018 Discovery texts, adapting to Discovery exam questions, and supporting workbook exercises. Modules A, B, C: including syllabus deconstruction and clarification, 2018 Modules texts, adapting to Modules exam questions, and supporting workbook exercises.
