A reckless young woman named Averella does what no
woman has ever done. She disguises herself as a man and
purposefully gets herself arrested and thrown into Zagerah.
Her brother Gabriel was taken, and with his disease, he will
not survive on his own. She has no idea what to expect
inside the prison; all she knows is that once men get taken,
they never come back. The Hunters will find her. Genetically
altered to be faster and stronger than humans, the Hunters
use their powers to find and kill every prisoner who enter
Zagerah. The only ones who can defeat them, are in fact,
themselves. Jared is a Hunter. It's all he's known, all he
remembers. He kills ruthlessly and without regret, one
prisoner after another. When a new prisoner Dalex shows
up, everything begins to change. Jared goes undercover to
make Dalex and the other prisoners believe he is one of
them, a prisoner himself. No one knows the truth. He will
trick them. Toy with them. Then, he will kill them.
