From the bestselling author of *P.S. I Love You* and *Love, Rosie*, Cecelia Ahern, comes an enchanting novel that leads you to wonder if Not Seeing is believing! Readers and critics alike adore Cecelia Ahern for her lighthearted yet insightful stories about modern women and their often unusual situations. In *If You Could See Me Now*, she takes that theme a step further, offering us a heroine who is entirely believable, and the new man in her life who is, well, slightly less so. Elizabeth Egan's life runs on order: Both her home and her emotions are arranged just so, with little room for spontaneity. It's how she counteracts the chaos of her family--an alcoholic mother who left when she was young, an emotionally distant father, and a free-spirited sister, who seems to be following in their mother's footsteps, leaving her own six-year-old son, Luke, in Elizabeth's care. When Ivan, Luke's mysterious new grown-up friend, enters the picture, Elizabeth doesn't know quite what to make of him. With his penchant for adventure and colorful take on things large and small, Ivan opens Elizabeth's eyes to a whole new way of living. But is it for real? Is Ivan for real? *If You Could See Me Now* is a love story with heart--and just a touch of magic.

One summer night, a boy and his beautiful cousin plunge naked into the moonlit waters of a rural quarry. Twenty years later, the boy, now grown, flees the wreckage of his life and returns to Arden, Wisconsin, in search of everything he has lost. But for Miles Teagarden, the landscape he had known so well has turned eerie and threatening. And the love he shared has become very, very deadly . . .

Four-year-old Carolyn Christian was playing outside her home in Alabama when she found herself standing in front of an old door. Curious, Carolyn looked through the keyhole and saw something she would remember for the rest of her life. It was at that moment that she learned that God was watching out for her—always. Carolyn chronicles her life from age two to present, telling the story of how she found God even through her most challenging moments. Carolyn shares not only poignant, but also humorous anecdotes that detail unforgettable moments from her childhood like the time she pretended to be tipsy from drinking the communion wine at church and the evening she mashed potatoes without draining the water, ending up with potato juice instead. As Carolyn discloses the confusion she felt as a young girl when she was sexually molested by a family friend, she also shares an inspirational message that God provided her with strength, even during her darkest hours. By offering an honest and self-disclosing glimpse into her life story, Carolyn inspires women everywhere to trust that God will always live in their hearts.

When I was experiencing my first semesters of college, the professors would hand out a syllabus outlining what would be expected of me to accomplish in class throughout that semester. As I read through each one, my heart would pound, and my hands would sweat as I

felt my inadequacy in meeting the requirements for the class. I saw that I clearly lacked the knowledge, experience, and skills to be successful, and it made me want to turn and run from the classroom. However, with time, I learned that by the time each assignment was due, I had been given what I needed in order to successfully meet those requirements, no matter the difficulty. I believe Heavenly Father has a plan for each of us, a syllabus of sorts. Part of his plan includes facing unimaginable trials, things we would exclaim we could never do, never endure. It is with and through these challenges that if we allow, God grows and strengthens us, giving us power to endure and making us more than we thought we could be. Each challenge acts as a springboard, which moves us to another level of ability in forgiveness, patience, faith, empathy, gratitude, humility, prayer, and so many more attributes and skills. This book contains my stories of trial, faith, and miracles in my son Jonah's fight to live and heal after a life-threatening traumatic brain injury, which left him in a coma. It also contains those earlier experiences of my life that the Lord used to build my abilities to endure, strengthen my relationship with Him, and teach me how He moves and communicates with me in my life. Whoever said God doesn't give us anything we can't handle was so very wrong! We are given many things we couldn't possibly endure without our Heavenly Father walking beside us, guiding us, and strengthening us to bear those things we couldn't possibly imagine we could. These stories are of my very profound and tender walk with the Lord with my hand in His.

Brad Evans has been an entertainer for over 50 years. Brad and his group, the Encores made a unique sound that crossed racial, ethnic and cultural lines. Brad lived in an adult Disneyland a world where partying, booze, super fine ladies and big money was the norm in the raucous 50's, 60's and 70's. He crossed paths with the mob and rubbed shoulders and became friends with some of America's biggest stars like Elvis, The Rat Pack, Nat King Cole, Frankie Laine, Phyllis Diller and many other celebrities of the day. He was popular, in demand and was asked to perform with with headliners. Brad and his groups on-stage presence made him something of a Vegas nightclub staple. Brad also has a number of colorful relationships. This book is an interesting tale of a musician's life of ambition, heartache -- and a life with few regrets.

Life where wisdom trumps knowledge, as it should in all good tales about the world, whether Arcadia's, or our own. Tod Davies is the author of *Snotty Saves the Day* and *Lily the Silent*, the first two books in *The History of Arcadia* series, as well as the cooking memoirs *Jam Today: A Diary of Cooking With What You've Got* and *Jam Today Too: The Revolution Will Not Be Catered*. Unsurprisingly, her attitude toward literature is the same as her attitude toward cooking—it's all about working with what you have to find new ways of looking and new ways of being.
