With each book Ednah brings out she just keeps amazing me. Immortals is the second instalment in the Runes series. I fell in love with Runes right from the start and Immortals made me fall even harder. This book was so enthralling I'm at a loss for words. Each word is like a drop of magic, you become absolutely spellbinded.

Nothing can stop Raine Cooper when she wants something... Raine finally knows that her gorgeous neighbor, Torin St. James, is a legend straight out of Norse mythology, and that her feelings for him are strong. Torin is crazy about Raine too, breaking the one rule he lives by: Never fall for a mortal. The problem is he no longer remembers her, his memories erased by Norns—Norse destiny deities—to punish her for defying them. So Raine comes up with a plan... She will make Torin forget his one rule a second time and fall in love with her all over again. But she quickly learns that well-laid plans do not work when dealing with deities and supernatural beings.

Desperate, Raine makes choices that could not only tear her and Torin further apart, but lead to the destruction of everything and everyone she loves.

I love Torin St. James... I need his strength... But someone from his past wants me dead. Raine Cooper is certain of two things: her love for Torin St. James and her destiny to be a powerful seeress. But when she starts having premonitions, they are unclear and disturbing. Worse, they involve Torin. With her mother gone, her father dying, and her best friend in Hel, she is not sure who to talk to. But when the visions become more personal and she foresees her future with Torin threatened by someone from his past, Raine becomes desperate for answers. Just her luck

CLEAN VERSION: YA-suitable for younger readers:- You asked for a clean version and I promised to publish it. The unforgettable story of CORA and ECHO from Grimnirs continues in the International bestselling RUNES series. Eighteen-year-old Cora Jemison knows what it's like to date a soul reaper. There are no Friday night movies, no school dances, and no stolen kisses between classes. It totally sucks! What makes it even worse, souls pop up when she least expects it. The last one is not her fault, but it all adds up to zero quality time with her super hot, scythe-carrying boyfriend, Echo. Since Cora was etched with special runes by an evil Immortal, she understands why souls are drawn to her. She makes the best of it by helping souls find closure while Echo escorts them to the realm

But something sinister is coming their way, and the soul is the key to saving her town, her friends, and her relationship with Echo. Can she convince Echo to see things her way before it's too late?

Reviews Straight out of the psych ward, Cora just wants her life to be normal. She doesn't want to see souls or the reapers collecting them. The guy she's loved from a distance for years moves away without saying goodbye. So yes, she's nursing a serious heartbreak. It's no wonder love is the last thing on her mind when Echo storms into her life. The chemistry between them is mind-blowing. The connection defies logic. Even better, the souls leave her alone when he is around. Too bad Echo is the poster boy for everything she hates in a guy—hot, beautiful, and cocky. He is also a soul reaper. A Grimnir. The very beings she wants out of her life. Maybe normal is overrated because Cora wants it all.
