She Lives In Amritapuri, South India. Published By The Disciples Of Mata Amritanandamayi Devi, Affectionately Known As Mother, Or Amma The Hugging Saint.

Mickey Bolitar is forced to live with his Uncle Myron and switch high schools, where he finds both friends and enemies, but when his girlfriend vanishes, he follows her trail into an underworld that reveals she is not what she seems to be.

" Simple solutions for survival in this family-unfriendly culture...Eye-opening...heart-wrenching and uplifting. " —San Francisco Chronicle Even more resonant today than at its original publication in 1996, The Shelter of Each Other traces the effects of our society ' s " anti-family " way of life, where parents are overtaxed, children are undersupervised, and technology is rapidly dictating how we interact. As she did in her number-one bestseller Reviving Ophelia, Mary Pipher illuminates how our families are suffering at the hands of shifting cultural norms, and she snaps our gaze into crisp focus. Drawing on the fascinating stories of families rich and poor, angry and despairing, religious and skeptical, and probing deep into her own family memories and experiences, Pipher clears a path to the strength and energy at the core of family life. Compassionate and heart-wrenching, The Shelter of Each Other is an impassioned call for us to gather our families in our arms and hold on to them for dear life.

"Of course I want a home," writes Mary Elizabeth Williams, "I'm American." Gimme Shelter is the first book to reveal how this primal desire, "encoded into our cultural DNA," drove our nation to extremes, from the heights of an unprecedented housing boom to the depths of an unparalleled crash. As a writer and parent in New York City, Williams is careful to ground her real-estate dreams in the reality of her middle-class bank account. Yet as a person who knows no other way to fall in love than at first sight, her relationship with the nation's most daunting housing market is a passionate one. Williams's house-hunting fantasy quickly morphs into a test of endurance, as her search for a place to live and a mortgage she can afford stretches into a three-year odyssey that takes her to the farthest reaches of the boroughs and the limits of her own patience. "Welcome to the tracks," she declares at the outset of yet another weekend tour of blindingly bad, wildly overpriced properties. "Let's go to the wrong side of them, shall we?" As her own quest unfolds, Williams simultaneously reports on the housing markets nationwide. Friends and family members grapple with real estate agents and lenders, neighborhood and quality-of-life issues, all the while voicing common concerns, as expressed by this Maryland working parent of three: "The market was so hot, there were no houses. We looked for years at places the owners wouldn't even clean, let alone fix up." How frustrating is the process? Williams likens it to hearing "the opening bars of a song you think is 'Super Freak.' And then it turns out to be 'U Can't Touch This.'" Told in an engaging blend of factfinding and memoir, Gimme Shelter charts the course of the real estate bubble as it floated ever upward, not with faceless numbers and documents but with the details of countless personal stories -- about the undeniable urge to put down roots and the lengths to which we'll go to find our way home.

The daughter of a pagan high priest, Sofea finds solace from her troubles in the freedom of the ocean. But when marauders attack her village on the island of Sicily, she and her cousin are taken across the sea to the shores of Canaan. Eitan has lived in Kedesh, a City of Refuge, for the last eleven years, haunted by a tragedy in his childhood and chafing at the boundaries placed on him. He is immediately captivated by Sofea, but revealing his most guarded secret could mean drawing her into the danger of his past. As threats from outside the walls loom and traitors are uncovered within, Sofea and Eitan are plunged into the midst of a murder plot. Will they break free from the shackles of the past in time to uncover the betrayal and save their lives and the lives of those they love?

Jeffery O'Donnell is captivated by the mysterious Simone, who arrives at his office hoping to acquire a position as a Harvey Girl at the popular way-stops along the frontier rail line. Jeffery is torn, however, when he suspects that Simone may harbor a disturbing secret. Westward Chronicles Book 1.

Claire's heartwarming picture book story delivers a timeless and timely message about the importance of kindness and generosity. With simple and evocative language, it explores how even small gestures can make a big difference to the strangers or outsiders in a community. Full color.

The beautiful, ethereal creature ran across the road on my way home one night. I nearly hit her and ended up wiping out in the process. A little dazed, I ran after her... And found her in the woods. Dirty and cold from living on the streets for weeks-but still so breathtaking, I was sure I was dreaming her. Delaney is deaf, scared, and on the run from her uncle. But now that I've found her, I won't let anything hurt her ever again. She makes me feel something I've never felt before. This tightness in my chest causes the beast

within me to snarl unless she's beside me. She becomes my obsession, my reason to get out of bed in the morning. She makes me want to be...better. For her. I'm never letting this girl go. No matter who tries to take her from me.

The inspiring true story of the first Girl Scout troop founded for and by girls living in a shelter in Queens, New York, and the amazing, nationwide response that it sparked " A powerful book full of powerful women. " —Chelsea Clinton Giselle Burgess was a young mother of five trying to provide for her family. Though she had a full-time job, the demands of ever-increasing rent and mounting bills forced her to fall behind, and eviction soon followed. Giselle and her kids were thrown into New York City ' s overburdened shelter system, which housed nearly 60,000 people each day. They soon found themselves living at a Sleep Inn in Queens, provided by the city as temporary shelter; for nearly a year, all six lived in a single room with two beds and one bathroom. With curfews and lack of amenities, it felt more like a prison than a home, and Giselle, at the mercy of a broken system, grew fearful about her family ' s future. She knew that her daughters and the other girls living at the shelter needed to be a part of something where they didn ' t feel the shame or stigma of being homeless, and could develop skills and a community they could be proud of. Giselle had worked for the Girl Scouts and had the idea to establish a troop in the shelter, and with the support of a group of dedicated parents, advocates, and remarkable girls, Troop 6000 was born. New York Times journalist Nikita Stewart settled in with Troop 6000 for more than a year, at the peak of New York City ' s homelessness crisis in 2017, getting to know the girls and their families and witnessing both their triumphs and challenges. In Troop 6000, readers will feel the highs and lows as some families make it out of the shelter while others falter, and girls grow up with the stress and insecurity of not knowing what each day will bring and not having a place to call home, living for the times when they can put on their Girl Scout uniforms and come together. The result is a powerful, inspiring story about overcoming the odds in the most unlikely of places. Stewart shows how shared experiences of poverty and hardship sparked the political will needed to create the troop that would expand from one shelter to fifteen in New York City, and ultimately inspired the creation of similar troops across the country. Woven throughout the book is the history of the Girl Scouts, an organization that has always adapted to fit the times, supporting girls from all walks of life. Troop 6000 is both the intimate story of one group of girls who find pride and community with one another, and the larger story of how, when we come together, we can find support and commonality and experience joy and success, no matter how challenging life may be.
