Environmental law is the law  
concerned with environmental  
problems. It is a vast area  
of law that operates from  
the local to the global,

# File Type PDF International Law A Very Short

involving a range of  
different legal and  
regulatory techniques. In  
theory, environmental  
protection is a no brainer.  
Few people would actively  
argue for pollution or  
environmental destruction.

# File Type PDF International Law A Very Short

Ensuring a clean environment is ethically desirable, and also sensible from a purely self-interested perspective. Yet, in practice, environmental law is a messy and complex business fraught with conflict. Whilst
