With coverage of the most current trends and research in international management in 1999, this text addresses the actual behaviours and functions required for successful cross-cultural management at both the strategic and interpersonal level.

For undergraduate and graduate students majoring in international business or general management. International Management, 6/e, explores the dynamic global environment of business management, by exploring political, legal, technological, competitive and cultural factors that shape corporations worldwide.

International Management: Managing Cultural Diversity International Management explores the dynamic global environment of business management by examining the political, legal, technological, competitive, and cultural factors that shape corporations worldwide. With its hallmark clear and concise approach, International Management places fundamental management theories in an international context. Students will

gain a comprehensive understanding of the practices, cultural skills and sensitivities needed to operate successfully in a wide range of cross-national situations. The second Australian edition of International Management focuses on the expanding economics of Australasia, China, India and their increasing trade amongst themselves, the European Union and the Americas. International Management 2nd edition incorporates up-to-date research, increased coverage of ethics, a wide range of case studies and examines recent trends affecting international business managers in today ' s hypercompetitive global environment. International Management is suitable for undergraduate and post graduate students majoring in international business, general management or cross cultural studies.

" Strategic International Management " takes a global perspective and covers the major aspects of international business strategies, the coordination of international companies and the particularities of international value chain activities and management functions. The book provides a thorough understanding of how Production & Sourcing, Research & Development, Marketing, Human Resource Management and Controlling have to be designed in an international company and what models are available to understand those activities in an international context. The book offers 20 lessons that provide a comprehensive overview of all key issues. Each lesson is accompanied by a case study from an international company to facilitate the understanding of all important factors involved in strategic international management.

This book addresses the actual management functions and behaviors necessary to develop global vision and management skills at both an organizational—strategic(macro) level, and the interpersonal (micro) level. This book places the executive or reader in the role of a manager of any nationality, encouraging the reader to take a truly global perspective in dealing with dynamic management issues in both foreign and diverse host environments. Throughout, the book emphasizes how the variable of culture interacts with other national and international factors to affect managerial processes and behaviors. In addition, the growing competitive influence of technology is emphasized, with boxes featuring the use of e-business for global competitive strategic positioning. A four-part organization covers the global manager's environment, the cultural context of global management, formulating and implementing strategy for international and global operations, and global human resources management. For executives trying to improve their global vision and management skills in order to better themselves and the various organizations for which they work.

With deregulation, privatization, and information technology transforming competition, the transnational model continually evolves. In a timely response to this dynamically changing business world, Bartlett and Ghoshal revisit their breakthrough concepts, updating the material with fresh examples drawn from today's leading global enterprises. The second edition of Managing Across Borders builds on the authors' ongoing exploration of the transnational, with their current research extending and illuminating the findings of their earlier work. An entirely new section, "The Transformation Challenge," focuses on how several companies have implemented the book's concepts. We see firsthand the obstacles and opportunities to building an effective transnational organization. This new edition also includes an application handbook, a highly practical tool that helps readers translate the book's ideas into real-world action plans for their companies.

For undergraduate and graduate students majoring in international business or general management. This Global Edition has been edited to include enhancements making it more relevant to students outside the United States An exploration of the issues facing international business managers today. International Management explores the dynamic global environment of business management by exploring the political, legal, technological, competitive, and cultural factors that shape corporations worldwide.
