una pessima riforma costituzionale (Roma, 2016) G. Miglio, Lo scienziato della politica (Milan, 2015) Émile Chanoux, federalismo e autonomie (Milan, 2014) Il Nord e la Macroregione alpina (Milan, 2013) Le ragioni del grande Nord.

La pandemia di Covid-19 ha fatto emergere le contraddizioni delle società capitalistiche, rese sempre più fragili e disuguali da decenni di guerra ai salari e ai diritti delle classi subalterne, dallo smantellamento del welfare e dal prevalere di forme di coscienza ultracompetitive. Certo della propria eternità e incapace di immaginare un modello alternativo di legame sociale, l'Occidente ha creduto che il "virus cinese" colpisse solo i paesi arretrati o ritenuti autoritari e che mai potesse diffondersi nelle nostre efficienti e trasparenti democrazie tecnologiche. Invece di prendere sul serio l'esperienza di altre realtà che hanno gestito meglio l'emergenza grazie alla capacità dello Stato e della politica di guidare l'economia e la produzione, subordinando gli interessi privati a quelli della maggioranza, ha negato a essa ogni riconoscimento, fino a procurarsi da solo un rischio estremo per eccesso di hybris. A questa rinuncia suicida a guardare l'alterità non è sfuggito il dibattito filosofico: di fronte allo stato d'eccezione, sia le posizioni dirittumaniste astratte sia il sovranismo particolarista e populista - che dell'odierna egemonia neoliberale costituisce non l'alternativa, ma una scissione conservatrice - condividono infatti il medesimo atteggiamento suprematista, con il rifiuto di elaborare una forma concreta di universalismo e di pensare una diversa configurazione del rapporto tra individuo, società civile e Stato, ma anche una diversa forma di convivenza tra le nazioni.

From the PREFACE: THE aim of this book is to make it possible for a class to read the Jugurtha within the restricted time available for the teaching of Latin. It is a work which is in many ways eminently suited for school reading, but has suffered a certain neglect owing to its length. The principle adopted in the present series of textbooks should eliminate this difficulty and enable a student to get a good idea of the nature of Sallust's writing without sacrificing his subject matter. No attempt has been made to proportion the lengths of Latin and English with precision. It should require no great ingenuity on the part of the teacher to surmount such difficulty as the disproportion between Latin and English may on occasion present. The translation makes no attempt at literalness, and phrases have at times been omitted with a view to reducing the bulk of the book, while a few chapters (17-19 and 77-79) have been merely summarized. The notes have been kept within narrow limits; with the aid of the vocabulary and the commentary the student should be able to produce an adequate rendering of the Latin, while the more

## Access Free Interventi Intraprendenti Lombardismo Autonomismo Federalismo

detailed instruction may and should be left to the teacher, for whom it is scarcely necessary to point out that such textbooks are not designed: it has also been assumed that the student called upon to read Sallust will have a somewhat more advanced knowledge of Latin than those who have not progressed beyond Caesar. Little has been said about the style of Sallust; such discussions are apt to pass over the heads of all save the more advanced students or to be tacitly ignored. Here again such instruction, if it be thought desirable, must be left to the individual teacher: the information is easily accessible and it is for the teacher to give it life, if he feels that his pupils are ripe for such instruction.

This volume brings together the papers published in *Historiographia Linguistica* 9:3 (1982), which was devoted to the history of linguistics in Italy, with Marazzini's paper first published in *Historiographia Linguistica* 10:1/2 (1983), and an original article by Franco Lo Piparo expressly written for this volume. The present volume provides in addition an index of subjects, as well as an index of names, which supplies bio-bibliographical references to authors discussed.

FOR SALE IN SOUTH ASIA ONLY

What has happened to America, and what's become of the American dream? Behind the self-confident image of world's most influential country, we now see a nation tearing itself apart. The United States may be arguably the world's only superpower, but its internal tensions are a symptom of suffering and division, a condition only exacerbated by the election of President Donald Trump. In this searing account, expatriate journalist Alan Friedman returns after thirty years in Europe and examines the real America through the mouths of its citizens. Set against the backdrop of the 2016 presidential election campaign and the inauguration of President Trump, Friedman tells a vivid story of terrible inequality - from the excesses of Wall Street to the grinding poverty of Mississippi - and explores the issues, from racism and gun control to Obamacare, that have polarised a nation. Drawing on his personal interviews with Trump and with Russia's President Putin, Friedman paints a detailed portrait of the new leader of the free world and explores the real risks of the Trump presidency for America and for the world. Dark and provocative, *This Is Not America* may just be the most important book of the year.

Early this century Enrico, a young intellectual, leaves the city of Gorizia with its abundant population

## Access Free Interventi Intraprendenti Lombardismo Autonomismo Federalismo

and culture, to spend several years living on the Patagonian pampas, alone with his ancient Greek texts, his flocks and, every now and then, a woman. He has been taught by his closest friend, Carlo, a philosopher/poet who commits suicide in his early twenties, to search for an authentic life, free of social falsehoods. But in his search for this unattainable goal, Enrico destroys every chance he has of a normal existence. This is portrait of a world in ferment, a decaying empire shaken by war and revolution, and a life-long search for meaning.

Food is meant to be enjoyed, and Sophie Dahl would have it no other way. Growing up in a family of true food lovers, she began cooking at a young age and never looked back. Miss Dahl's Voluptuous Delights presents nearly one hundred of her tried-and-true recipes, organized around the four seasons and using the freshest ingredients available. Accented with her stories about how she came to know these foods and why she loves them, Miss Dahl's Voluptuous Delights provides a complete picture of what a meal should provide. From lemon-scented summer stews, to crisply burnished pies, to salads and soups for breezy lunches, to decadent desserts, Sophie Dahl cooks food that is indulgent, delicious, and wholesome.
