the cons of each type of installation.

This unique book will help you work through the long list of XJ variants to choose the one that best suits your budget and intended use. Full of practical first-hand tips and pictures to guide even a novice through all the stages of becoming a Jaguar or Daimler saloon owner. Packed with 100 new detail pictures, and with a unique points system to assess the condition of potential purchases, this book is a must for any potential XJ6 owner.

A practical and highly-illustrated hands-on guide, taking you step-by-step through examination and purchase of Jaguar's highly-developed flagship saloon, which took the company from the Leyland years into private ownership once more. Covering all engine and trim versions, here's what to look for, what to avoid, and whether the car is likely to suit your needs, plus relative values and the best places to buy. Also includes full details on back-up organisations and literature.

In this book, seasoned motorcycle restorer Ricky Burns takes you through each of the stages of real-life restorations. Aimed at enthusiasts of all abilities, from the total beginner to those with experience already, the reader is shown each stage and process in step-by-step detail, along with the techniques, tricks and tips used by experts. From choosing a project, setting up a workshop, and preparing a motorcycle, to sourcing parts, dismantling, restoring and renovating, this book is
