The lessons are designed to get students speaking and

Jalen Waltman's Spanish 3A is for first

# File Type PDF Jalen Waltman

semester level 3 high school Spanish, and 3B is for second semester level 3 high school Spanish. The focus in Spanish 3 is to get students speaking Spanish more conversationally, so each lesson includes a daily guided conversation topic (question) for partners and/or groups to discuss.

# File Type PDF Jalen Waltman

Another goal in level 3 is to get students started doing more expository Spanish writing, so 3A contains 6 "journal prompts" on topics such as school plans and friendships, and 3B has 4 journal prompts on topics such as art and the environment. At this level, students start preparing more

explicitly for the speaking and writing demands of AP Spanish Language and Culture should they choose to go that far in their Spanish program. Spanish 3A and B lessons teach sets of vocab strings with skits just like levels 1 and 2 do, and include a pretty heavy load of grammar topics.

3A reviews pronouns, present tense, ser and estar, preterit and imperfect, and present progressive; it introduces present subjunctive, future, and conditional, past progressive, and present perfect. 3B introduces past perfect, reviews and digs a little deeper into preterit and imperfect as

well as the present subjunctive, then reviews future and conditional, and if you and your students are up for it, ends with past subjunctive.
