is an ideal that recedes as age advances - as family, career and provider fatigue threatens to overwhelm the wanderlust of youth. But what if you could defy the slow march of age? Shelve all your worldly pressures, pack up the family and a few trusty surfboards and hit the open road for the Great Australian surfing road trip? Inspired by the dreams of his youth, surf writer Tim Baker embarks on the Big Lap in search of the perfect wave and domestic bliss. Surfari documents the state of surf culture and our coastline, and the array of colourful characters who inhabit these parts, evoking all the magic, charm and challenges such a lifestyle entails. It is a story for anyone who has ever dreamed of an alternative to the busy, micro-scheduled existence of work, school, shopping and the daily drudge. The result is a lively, colourful account of what happens when you trade your life for another variety, and the delights and dangers that lay in wait when you dare to chase your dreams and follow another path.

"The complete technical manual and troubleshooting guide for motorhomes, travel trailers, fifth wheels, folding campers, truck campers, and vans"--Notes.

Ben Brooksby is a fifth-generation farmer from St Helens Plains in western Victoria. When he was younger, he struggled with anxiety and other mental health issues, as do so many others in rural communities. A simple social media post helped him to turn things around. After he shared a photo on Instagram showing himself naked in a truck full of lentils, he received a huge response, with other farmers wanting to share their own photos - and their stories. As the Naked Farmer movement grew, Ben met people from all around the country who wanted to get naked for mental health. As they got their kits off, they also opened up about their struggles. This is a heartwarming, moving and candid collection of stories of the challenges our farmers are facing, and the way these communities are banding together in response. Proudly supporting the Royal Flying Doctors Mental Health Service

'This is the story of a journalist's journey round and across Australia... It was in July 1930 that I first set out, a wandering "copy-boy" with swag and typewriter, to find what lay beyond the railway lines...' "The most picturesque account of our outback that has yet been written... a vivid and arresting page of Australian history." - Adelaide Advertiser "With zest, humour and a warm sympathy, Hill brings life to a frontier..." - New York Herald Tribune "A travel book that is a pleasure to recommend." - The Irish Times

"Fantasy as it ought to be written . . . Robin Hobb's books are diamonds in a sea of zircons."—George R. R. Martin For fifteen years FitzChivalry Farseer has lived in self-imposed exile, assumed to be dead by almost all who once cared about him. But now, into his isolated life, visitors begin to arrive: Fitz's mentor from his assassin days; a hedge-witch who foresees the return of a long-lost love; and the Fool, the former White Prophet, who beckons Fitz to fulfill his destiny. Then comes the summons he cannot ignore. Prince Dutiful, the young heir to the

Fitz, possessed of magical skills both royal and profane, is the only one who can retrieve him in time for his betrothal ceremony, thus sparing the Six Duchies profound political embarrassment . . . or worse. But even Fitz does not suspect the web of treachery that awaits him—or how his loyalties will be tested to the breaking point. Praise for Robin Hobb and Fool's Errand "[Robin] Hobb has created a world brimming with detail and complexity [and] once again proves herself a full master of the epic fantasy."—Tulsa World "Splendid . . . As the most comprehensive caravan and tourist park guide in Australia, Caravan Parks Australia Wide is a must have travelling companion. Whether you are a caravanner, motor homer or a traveller looking for cabin style accommodation, this guidebook contains all the information you need to find a place to stay. A numbered caravan symbol has been placed on the map at each town or location where a park can be found and each state has an index of parks at the beginning of the listing that can be used as a quick reference. Travellers can also use the informative symbols in the book to determine whether a park meets their needs. Coloured symbols are included on each listing to inform the reader about facilities such as powered sites, en-suite sites, tent sites, BBQ, pool, approximate cost, pets allowed, large sites, drive thru sites and dump points. Plan your trip on or off the road by checking the map for caravan symbols on your planned route, seeing at a glance what facilities are available at certain parks and using the GPS coordinates included in the book to find your desired location. Finding a park that meets your needs has never been easier.
