He is the true Israel, the faithful Israel who succeeds where old covenant Israel failed. Like ancient Israel, He came up out of Egypt, passed through the waters, and was tested in the wilderness (2:13–15; 3:13–4:11; see Ex. 12:40–42; 14:1–31; 16:4). Unlike old covenant Israel, however, Jesus passed the test.

In 'The True Story of Jesus the Christ', author Thomas Kerrins examines the validity of the Story of Creation. To validate the Old Testament narrative of our history, that Jesus himself exists only because of Mankind's rebellion toward God starting with Adam, Thomas uses as evidence the Flood; the trials and tribulations of Abraham, Isaac, and Jacob; and the clues found beneath the sands of the Middle East. He also looks at the followers of Jesus, to find out who they were and what role they played in the beginning of Christianity. Many experts and theologians are quoted, such as Dr. Juris Zarins, who shows through satellite imagery of Iraq, Iran, and Syria, the existence of fossilized rivers pinpointing the possible existence of Eden. Also quoted is Henry Rawlinson, who discovered the Behistune inscription that provided a tool to read another version of creation from a civilization 800 miles from where the Old Testament version of Genesis was written. Furthermore, archaeological evidence will be presented to validate such events as the Exodus, the Kings of Israel, and the invasions from Babylon and Persia. Understanding Jesus was to know who he was and what was his mission.

"The True Story of Jesus" is that his great uncle, Joseph of Arimathea, one of the wealthiest and most powerful men on the planet, orchestrated the plan to have Jesus crucified and, thereby, 'fake his death in order to save his life.'At 27, Jesus then journeyed to Persepolis in Persia where he studied for a year with the Zoroastrians until he was 28. Jesus then traveled to Athens, Greece where he studied the Eleusinian mysteries along with the philosophies of Socrates, Plato and Aristotle, and the mysteries of Hermes and Pythagoras, and, thereafter, at 29, Jesus journeyed to Glastonbury, England to complete his studies with the Druids.At the age of 30, Jesus traveled to Egypt and had his final initiation in the Great Pyramid of Giza from which he emerged "a Christed One" - an enlightened Master fully capable of exercising all of his "miraculous" powers to heal the sick, to cure the blind, to walk on water, to calm the storms, and to manifest out of the ethers.After his "ritual bathing" by his cousin, John, in the Jordan River, Jesus, a Royal Prince, was then "betrotthed" to Mary Magdalene, a Royal Princess. Jesus then commenced his ministry and continued to teach and preach and heal and perform his miracles for the next three years until he incurred the wrath of the Temple High Priest.When it appeared as though Jesus would be stoned to death for "blasphemy" - his great uncle Joseph of Arimathea orchestrated the plan to have Jesus crucified, and Joseph did, indeed, succeed in his plan "to fake his death in order to save his life."After Jesus survived the crucifixion, he returned to the temples of India where he had grown up as a youth. Jesus would continue to teach and preach and heal and perform his miracles throughout Persia, India, Nepal, Tibet, and Kashmir - where he was known as a "holy man," "a prophet," and "a saint" - until he transcended to the heavenly realms at the age of 83, and his body was buried in Srnagar in India.

The story of Jesus Christ goes much deeper than His crucifixion and resurrection. Few will dispute that a man named Jesus Christ lived 2,000 years ago and that He was a great teacher who impacted the world. Christ made a controversial claim—that He was the very Son of God, the long-prophesied Messiah—causing religious authorities in Jerusalem to reject Him, hate Him and eventually succeeded in having Him put to death. Likewise, the local Roman civil authorities also saw Him as a threat and became complicit in His execution. The religions of His day, both Judaism and paganism, opposed the growth of His teachings and used unlawful and violent means to try to destroy the Church He founded. The government of Rome also came to vigorously persecute the followers of this Jewish teacher from Galilee. Today, there is much confusion and questions concerning this controversial figure. Lydia was seated on her bed reading her Bible on an ordinary August morning, oblivious of what she was about to hear and what would become her life from that day forward. Her son and nephew rushed into her bedroom. Her son was shouting, "Mum, there were two angels at the gate at night!" Her son was six years old at the time. He held her face and said, "I know the names of the two angels. They are called Angel Gabriel and Angel Michael." The two boys went on to say that Angel Michael was at the right side of the gate and was holding his sword facing upwards, while Angel Gabriel was on the left side of the gate and had his sword pointing downwards. She was amazed! How did they know the names of these two mighty archangels? Instantly, she realized that her son had had a supernatural encounter, together with his five-year-old cousin! This was the beginning of a series of incredible journeys with Jesus Christ. This book records their breathtaking trips to heaven and hell, their conversations with God the Father, their encounters with angels, relatives they met in heaven, and even the twenty-four elders who worship before the Throne of God all day and all night. These accounts will reveal to you how God is using children to bring home the simple truth that the Bible is the Word of God, heaven is real, and the only way to get there is through Jesus Christ, His Son.
