If you had a ladder made of splinters, would you stand on it? Unfortunately, the mission practices of most churches stand on weak foundations. Life on Mission gives gospel-centered, biblical, practical foundations for how missions was meant to be: an everyone-together effort. Life on Mission is a thorough yet simple guide for everyday missionaries—electricians, lawyers, church planters, students, etc.—that equips them with truths and practices for living out the gospel within their own community. Adaptable to any context, Life on Mission functions great as both an individual and small-group study. Threaded with engaging stories and probing reflection questions, Life on Mission will help you and your community take bold steps to living life on mission.

What does living for Jesus look like in the everyday stuff of life? Many Christians have unwittingly embraced the idea that “church” is a once-a-week event rather than a community of Spirit-empowered people; that “ministry” is what pastors do on Sundays rather than the 24/7 calling of all believers; and that “discipleship” is a program rather than the normal state of every follower of Jesus. Drawing on his experience as a pastor and church planter, Jeff Vanderstelt wants us to see that there’s more—much more—to the Christian life than sitting in a pew once a week. God has called his people to something bigger: a view of the Christian life that encompasses the ordinary, the extraordinary, and everything in between. Packed full of biblical teaching, compelling stories, and real-world advice, this book will remind you that Jesus is filling the world with his presence through the everyday lives of everyday people... People just like you.

Steve Addison gleans the characteristics of the dynamic missionary movement from biblical, historical and contemporary case studies. Addison shows how these factors recur in every period of Christian expansion, and suggests that Christianity's distinction as a historical movement lies in its power to outlast the centuries.

calling for your life? Something more than the mundane weekly routine of work, eat, sleep, play, and church? This is no ordinary missions book. The theme isn't new, but the approach is refreshing and compelling, as contributors David Platt, Louie Giglio, Michael Ramsden, Ed Stetzer, Michael Oh, David Mathis, and John Piper take up the mantle of the Great Commission and its Spirit-powered completion. From astronomy to exegesis, from apologetics to the Global South, from being missional at home to employing our resources in the global cause, *Finish the Mission* aims to breathe fresh missionary fire into a new generation, as together we seek to reach the unreached and engage the unengaged.

Missionary
One tiny little sentence can change your life. Ready for it? "God is here." It may sound obvious at first, but truly understanding these three words is the key to more happiness, less boredom, more rest, less rush, more love, less drama, more peace, less fear. A deeply satisfying life doesn't require a sabbatical, a mission trip, or a New Year's resolution. As long as God is glorious enough and near enough, you can enjoy the life that is truly life--not just the cheap substitutes we've settled for. This book will help you move from just enjoying the good moments in life to worshiping the God who is right here, right now. This movement will exponentially increase your happiness, peace, and contentment. It will allow you to shake off the guilt and shame of sin and see yourself as God sees you. Learn how to recognize God's impact on your life and find the joy he's been waiting to give you.

This is the third and final book of the Chanters of Tremaris series, a dramatic fantasy saga of adventure and magic, for readers 12+.
