This practical text will help you develop your confidence, understandings and skills so you can effectively and authentically teach arts in primary and middle school classrooms. Delivering Authentic Arts Education outlines the true nature of arts education and its importance in the curriculum, emphasising the arts as forms of creative activity, meaning-making and expression in a cultural context. Chapters discuss how to recognise and build on your existing artistic abilities and pedagogical skills, how to encourage your students' creativity, and the general principles of planning and assessment. It then examines the five arts areas: visual arts, dance, music, drama and media. The final part of the text contains sample learning activities and resources that demonstrate how to plan an effective lesson within a unit of inquiry. Practical tips, classroom 'snapshots', example activities and ideas for programs show you the links between theory and practice so you can develop arts education experiences that are purposeful, stimulating and engaging for everyone.

An educational toolkit for teaching phonics, consisting of a book, posters and musical CD, all of which provides for multiple options and inputs for learning, including: visual-icons, auditory and kinesthetic motor skill manipulations, as well as a variety of dramatic and emotive cuing-systems designed to target the affective learning domain. This "backdoor-approach" to phonemic skill acquisition is based on current neural research on Learning & the Brain--specifically how our brains actually learn best!The Secret Stories® primary purpose is to equip beginning (or struggling, upper grade) readers and writers, as well as their instructors, with the tools necessary to easily and effectively crack the secret reading and writing codes that lie beyond the alphabet, and effectively out of reach for so many learners! It is not a phonics program! Rather, it simply provides the missing pieces learners need to solve the complex reading puzzle--one that some might never solve otherwise! The Secrets(tm) are sure to become one of the most valuable, well-used, and constantly relied-upon teaching tools in your instructional repertoire!
