Wonderful Amp – great design and fantastic sound. I bought it recently and listened to with Tannoy M3 and Sony CDP XE570, after listened with Yamaha AX-396 Amp. The difference is huge in favor of JVC. The scene is very broad, high tones and bass balanced and nicely warm. I fully recommend! Really great Amp, although it has now 38 years old!

"Any book on my life would start with my basic philosophy of fighting racial prejudice. I loved jazz, and jazz was my way of doing that," Norman Granz told Tad Hershorn during the final interviews given for this book. Granz, who died in 2001, was iconoclastic, independent, immensely influential, often thoroughly unpleasant—and one of jazz's true giants. Granz played an essential part in bringing jazz to audiences around the world, defying racial and social prejudice as he did so, and demanding that African-American performers be treated equally everywhere they toured. In this definitive biography, Hershorn recounts Granz's story: creator of the legendary jam session concerts known as Jazz at the Philharmonic; founder of the Verve record label; pioneer of live recordings and worldwide jazz concert tours; manager and recording producer for numerous stars, including Ella Fitzgerald and Oscar Peterson.

"Local editors Schaper and Horwitz have assembled a noteworthy collection of noir-infused stories mixed with laughter...The Akashic noir short-story anthologies are avidly sought and make ideal samplers for regional mystery collecting." --Library Journal "The best pieces in the collection turn the clichés of the genre on their head . . . and despite the unseemly subject matter, the stories are often surprisingly funny." —City Pages (Minneapolis) Brand-new stories from John Jodzio, Tom Kaczynski, and Peter Schilling, Jr., in addition to the original volume's stories by David Housewright, Steve Thayer, Judith Guest, Mary Logue, Bruce Rubenstein, K.J. Erickson, William Kent Krueger, Ellen Hart, Brad Zellar, Mary Sharratt, Pete Hautman, Larry Millett, Quinton Skinner, Gary Bush, and Chris Everheart. "St. Paul was originally called Pig's Eye's Landing and was named after Pig's Eye Parrant--trapper, moonshiner, and proprietor of the most popular drinking establishment on the Mississippi. Traders, river rats, missionaries, soldiers, land speculators, fur trappers, and Indian agents congregated in his establishment and made their deals. When Minnesota became a territory in 1849, the town leaders, realizing that a place called Pig's Eye might not inspire civic confidence, changed the name to St. Paul, after the largest church in the city . . . Across the river, Minneapolis has its own sordid story. By the turn of the twentieth century it was considered one of the most crooked cities in the nation. Mayor Albert Alonzo Ames, with the assistance of the chief of police, his brother Fred, ran a city so corrupt that according to Lincoln Steffans its 'deliberateness, invention, and avarice has never been equaled.' As recently as the mid-'90s, Minneapolis was called 'Murderopolis' due to a rash of killings that occurred over a long hot summer . . . Every city has its share of crime, but what makes the Twin Cities unique may be that we have more than our share of good writers to chronicle it. They are

homegrown and they know the territory--how the cities look from the inside, out . . ."

A how-to-draw book, with over 100 animals and objects!

It would be no exaggeration to call Charles Mingus the greatest bass player in the history of jazz; indeed, some might even regard it as understatement, for the hurricane power of his work as a composer, teacher, band leader, and iconoclast reached far beyond jazz while remaining true to its heritage in the music of Duke Ellington, Charlie Parker, and Thelonious Monk. In this new biography Brian Priestley has written a masterly study of Mingus's dynamic career from the early years in Swing, to the escapades of the Bebop era, through his musical maturity in the '50s when he directed a band that redefined collective improvisation in jazz. Woven in with exacting assessments of Mingus's artistic legacy is the story of his volatile, unpredictable, sometimes dangerous personality. The book views Mingus as a black artist increasingly politicized by his situation, but also unreliable as a witness to his own persecution. Capturing him in all his furious contradictions--passionate, cool, revolutionary but with a keen sense of tradition--Brian Priestley has produced what can be called, again without exaggeration, the best biography of a jazz musician we have ever seen.

Las Vegas provides the classic sophistication and darkness necessary for a deadly noir story. Stylish, sultry, brimming with ambition and greed, the characters who populate this literary Las Vegas are pushed to the extremes of human experience. From the neon glitter of the Strip to the treacherous views of Red Rock Canyon and Boulder City, from the desperation of Naked City to the racial tensions of the Westside, no other location offers so many different avenues leading to serious trouble.

The complete works of one of England's greatest Edwardian writers Saki is perhaps the most graceful spokesman for England's 'Golden Afternoon' - the slow and peaceful years before the First World War. Although, like so many of his generation, he died tragically young, in action on the Western Front, his reputation as a writer continued to grow long after his death. His work is humorous, satiric, supernatural, and macabre, highly individual, full of eccentric wit and unconventional situations. With his great gift as a social satirist of his contemporary upper-class Edwardian world, Saki is one of the few undisputed English masters of the short story and one of the great writers of a bygone era. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global
