for connecting academic success to success beyond school, showing students how to apply strategies within college, career, and life. This Eighth edition retains Keys' tried-and-true emphasis on thinking skills and problem solving, re-imagined with two goals in mind: One, a risk and reward framework that reflects the demands today's students face, and two, a focus on student experience specific to four-year schools with a more extensive research base and increased metacognition. Keys to College Success helps students take ownership, develop academic and transferable skills, and show the results of commitment and action so they are well equipped with the concentration, commitment, focus, and persistence necessary to
