The powerful and riveting new book in the multimillion-selling Killing series by Bill O'Reilly and Martin Dugard Autumn 1944. World War II is nearly over in Europe but is escalating in the Pacific, where American soldiers face an opponent who will go to any length to avoid defeat. The Japanese army follows the samurai code of Bushido, stipulating that surrender is a form of dishonor. Killing the Rising Sun takes readers to the bloody tropical-island battlefields of Peleliu and Iwo Jima and to the embattled Philippines, where General Douglas MacArthur has made a triumphant return and is plotting a full-scale invasion of Japan. Across the globe in Los Alamos, New Mexico, Dr. J. Robert Oppenheimer and his team of scientists are preparing to test the deadliest weapon known to mankind. In Washington, DC, FDR dies in office and Harry Truman ascends to the presidency, only to face the most important political decision in history: whether to use that weapon. And in Tokyo, Emperor Hirohito, who is considered a deity by his subjects, refuses to surrender, despite a massive and mounting death toll. Told in the same page-turning style of Killing Lincoln, Killing Kennedy, Killing Jesus, Killing Patton, and Killing Reagan, this epic saga details the final moments of World War II like never before.

The latest installment of the multimillion-selling Killing series is a gripping journey through the American West and the historic clashes between Native Americans and settlers. The bloody Battle of Tippecanoe was only the beginning. It's 1811 and President James Madison has ordered the destruction of Shawnee warrior chief Tecumseh's alliance of tribes in the Great Lakes region. But while General

Bestselling authors Bill O'Reilly and Martin Dugard venture through the fraught history of our country's founding on already occupied lands, from General Andrew Jackson's brutal battles with the Creek Nation to President James Monroe's epic "sea to shining sea" policy, to President Martin Van Buren's cruel enforcement of a "treaty" that forced the Cherokee Nation out of their homelands along what would be called the Trail of Tears. O'Reilly and Dugard take readers behind the legends to reveal never-before-told historical moments in the fascinating creation story of America. This fast-paced, wild ride through the American frontier will shock readers and impart unexpected lessons that reverberate to this day.

The Revolutionary War as never told before. This breathtaking installment in Bill O'Reilly and Martin Dugard's mega-bestselling Killing series transports readers to the most important era in our nation's history: the Revolutionary War. Told through the eyes of George Washington, Benjamin Franklin, Thomas Jefferson, and Great Britain's King George III, Killing England chronicles the path to independence in gripping detail, taking the reader from the battlefields of America to the royal courts of Europe. What started as protest and unrest in the colonies soon escalated to a world war with devastating casualties. O'Reilly and Dugard recreate the war's landmark battles, including Bunker Hill, Long Island, Saratoga, and Yorktown, revealing the savagery of hand-to-hand combat and the often brutal conditions under which these brave American soldiers lived and fought. Also here is the reckless treachery of Benedict Arnold and the daring guerrilla tactics of the "Swamp Fox" Frances Marion. A must read, Killing England reminds one and all how the course of history can be changed through the courage and determination of those intent on doing the impossible.
