The Klingon Dictionary is the first comprehensive sourcebook for Klingon language and syntax, including fundamental rules of grammar as well as words and expressions that illustrate the complex nature of Klingon culture. It features a precise pronunciation guide, rules for proper use of affixes and suffixes, and a small phrasebook with Klingon translations for essential expressions such as "Activate the transport beam," "Always trust your instincts," and the ever-popular "Surrender or die!"

Explains the grammar and pronunciation of the Klingon language, covers nouns, verbs, adjectives, and syntax, and defines a basic list of Klingon expressions

"Heghlu'meH QaQ jajvam." "It is a good day to die." What is the proper response to this? What should I do? Now, with Klingon for the Galactic Traveler you will know. Organized into four easy-to-use sections, this book will guide your steps through the Klingon language and customs: The regional dialects of the Empire Common, everyday usage of the language The slang phrases and curses that color the Klingon vocabulary Most importantly, the proper verbal, physical, and cultural responses. A misspoken word to a Klingon, who is quick to take offense and even quicker to take action, could have dire consequences. This book is the indispensable guide for the galactic traveler.

Master the harsh, guttural language of Klingon with this indispensable audio phrasebook. This amusing and enlightening primer on ill-tempered and proud Klingon culture uses a built-in sound module to teach readers an array of crucial compliments ("You bludgeon divinely."), toasts ("Today is a good day to die"), and insults ("Your mother has a smooth forehead") as well as phrases used commonly in intergalactic travel ("Passport? My fist is my passport!"), theatergoing ("Two for Romulan and Juliet"), and more. Illustrated scenarios set the scene and offer additional useful phrases, making How to Speak Klingon an essential guide for any Star Trek® fan.

paq'batlh: The Klingon Epic is the definitive edition of the grand Klingon epic of the Kahless the Unforgettable (qeyllS IljlaHbogh pagh). The story of Kahless is a tale of legendary proportions comparable to those of our own ancient heroes Hercules, Ulysses and Gilgamesh. Betrayed by his brother and witness to his father's brutal slaying, Kahless is pitted against his bitter enemy, the mighty tyrant Molor. To regain his honor he must travel into the Underworld, create the first bat'leth, and unite with his true love, Lady Lukara, to fight many epic battles. Through this awe-inspiring adventure Kahless redefines what it is to be truly Klingon. Reconstructed from several sources, this bilingual Klingon/English edition provides a keen insight into the nature of Klingon culture and mythology, and features the first publication of Ancient Klingon (no'Hol) fragments. Meticulously translated by the world's leading Klingon language expert, Marc Okrand, this classic epic is a must have for anyone interested in Klingon culture and language.
