~~L.A. Confidential - How To Write a Screenplay~~

L.A. Confidential is a 1997 American neo-noir crime film directed, produced and co-written by Curtis Hanson. The screenplay by Hanson and Brian Helgeland is based on James Ellroy's 1990 novel of the same name, the third book in his L.A. Quartet series. The film tells the story of a group of LAPD officers in 1953, and the intersection of police corruption and Hollywood celebrity.

1950's Los Angeles is the seedy backdrop for this intricate noir-ish tale of police corruption and Hollywood sleaze. Three very different cops are all after the truth, each in their own style: Ed Exley, the golden boy of the police force, willing to do almost anything to get ahead, except sell out; Bud White, ready to break the rules to seek justice, but barely able to keep his raging violence under control; and Jack Vincennes, always looking for celebrity and a quick buck until his ...

Where To Download La Confidential The Screenplay

Los Angeles in the early '50s. A booming city anxious to shed its small-town skin. A city being touted as the metropolis of the future, L.A. is practically paradise on earth. That's the image. The reality is something different. From its fabulous mansions to its sizzling night-clubs, it's a city of corruption, double-dealing, and dangerous passions. Based on the novel and with an introduction by James Ellroy.

L.A. Confidential is epic "noir", a crime novel of astonishing detail and scope written by the bestselling author of The Black Dahlia. A horrific mass murder invades the lives of victims and victimizers on both sides of the law. And three lawmen are caught in a deadly spiral, a nightmare that tests loyalty and courage, and offers no mercy, grants no survivors. (124,000 words)

From the Oscar-winning screenwriter of All the President's Men, The Princess Bride, and Butch Cassidy and the Sundance Kid, here is essential reading for both the aspiring screenwriter and anyone who loves going to the movies. If you want to know why a no-name like Kathy Bates was cast in Misery, it's in here. Or why Linda Hunt's brilliant work in Maverick didn't make the final cut, William Goldman gives you the straight truth. Why Clint Eastwood loves working with Gene Hackman and how MTV has changed movies for the worse, William Goldman, one of the most successful screenwriters in Hollywood today, tells all he knows. Devastatingly eye-opening and endlessly entertaining, Which Lie Did I Tell? is indispensable reading for anyone even slightly intrigued by the process of how a movie gets made.

Manohla Dargis explores the careers of director Curtis Hanson and writer James Ellroy, based on interviews with both men, to dig deep into the film's obsession with the twinned, equally troubled histories of the Hollywood studio system and the city of Los Angeles.

"ELLOY IS THE AUTHOR OF SOME OF THE MOST POWERFUL CRIME NOVELS EVER WRITTEN"- NEW YORK TIMES Danny Upshaw is a Sheriff's deputy stuck with a bunch of snuffs nobody cares about; they're his chance to make his name as a cop...and to sate his darkest curiosities. Mal Considine is D.A.'s Bureau brass. He's climbing on the Red Scare bandwagon to advance his career and to gain custody of his adopted son, a child he saved from the horror of postwar Europe. Buzz Meeks -- bagman, ex-Narco goon, and pimp for Howard Hughes -- is fighting communism for the money. All three men have purchased tickets to a nightmare.

L.A. Confidential was released in 1997 to huge critical acclaim and it went on to be nominated for nine Academy Awards. Its reputation has since grown to the point that the film is now widely seen as a key Hollywood movie of the 1990s. But it fared poorly at the box-office, having neither big-name stars nor the sop of a comforting moral universe. With characters so bad they were irresistible, the film harked back to an older, darker Hollywood at a time when audiences would soon be flocking to 'Titanic'. Directed by Curtis Hanson from the best-selling novel by James Ellroy, 'L.A. Confidential' stars Kim Basinger alongside Kevin Spacey, Danny DeVito and, to the surprise of many industry watchers, two then relative unknowns, New Zealander Russell Crowe and Australian Guy Pearce. The film is a consummate thriller which takes in - without once losing sight of the human cost - police corruption, organized crime, the sleaze press, high-class prostitution, murder and the ways movies and life twist together. Manohla Dargis explores the careers of Hanson and Ellroy, based on interviews with both men, to dig deep into the film's obsession with the twinned, equally troubled histories of the Hollywood studio system and the city of Los Angeles. She untangles the paradox of 'L.A. Confidential', a film that paints a jet black, melancholy picture of a city and an industry even as it also testifies to - and exemplifies beautifully - their seductive glamour.

By breaking down classic films from the nineteen-nineties such as Forest Gump and Titanic, this book offers a reel-to-reel cultural analysis, chronicling the concept of 'spin' as a major sociopolitical persuasion strategy.

The legendary crime writer gives us a raw, brutally candid memoir—as high intensity and as riveting as any of his novels—about his obsessive search for “atonement in women.” The year was 1958. Jean Hilliker had divorced her fast-buck hustler husband and resurrected her maiden name. Her son, James, was ten years old. He hated and lusted after his mother and “summoned her dead.” She was murdered three months later. The Hilliker Curse is a predator’s confession, a treatise on guilt and on the power of malediction, and above all, a cri de cœur. James Ellroy unsparingly describes his shattered childhood, his delinquent teens, his writing life, his love affairs and marriages, his nervous breakdown, and the beginning of a relationship with an extraordinary woman who may just be the long-sought Her. A layered narrative of time and place, emotion and insight, sexuality and spiritual quest, The Hilliker Curse is a brilliant, soul-baring revelation of self. It is unlike any memoir you have ever read.
