Ladurée | Iconic Macarons, Boutiques & Tea Salons

But one of my favorite chocolate things to order at Ladurée is their hot chocolate, or 'Chocolat Ladurée' as the French call it. It's nothing like an ordinary hot chocolate; it's like a thick drinkable chocolate sauce that even has a hint of bitterness (because of the bittersweet chocolate).

The universe of chocolate is a world shaped by a thousand secrets, by perseverance and by know-how founded on passion (Les Marquis de Laduree). Laduree continues its quest for the ultimate indulgence with Les Marquis de Laduree, opening a magical portal to a dreamlike world, where dainty meets delicious, a universe exclusively dedicated to chocolate. In this book, chocolate lovers will discover its many varieties and virtues, but also its history, its process of fabrication, the art of enjoying chocolate, as well as famous chocolate connoisseurs of the past and present. And since you could hardly be expected to read about chocolate without treating yourself to a taste, Laduree proposes a selection of recipes for chocolate bonbons and other pastries that you can make at home..."

When Summer Corey takes over ownership of the Parisian restaurant where chef Luc Leroi works, their workplace clashes turn into private passions. Original.

A compact connoisseur's guide, with recipes, to today's cutting-edge array of chocolates and chocolate makers from former Chez Panisse pastry chef David Lebovitz. In this compact volume, David Lebovitz gives a succinct cacao botany lesson, explains the process of chocolate making, runs through chocolate terminology and types, presents information on health benefits, offers an evaluating and buying primer, profiles the world's top chocolate makers and chocolatiers (with a whole chapter dedicated to Paris alone!), and shares dozens of little-known factoids in sidebars throughout the book. The Great Book of Chocolate includes more than 50 location and food photographs, and features more than 30 of Lebovitz's favorite chocolate recipes, from Black-Bottom Cupcakes to Homemade Rocky Road Candy, Orange and Rum Chocolate Mousse Cake to Double Chocolate Chip Espresso Cookies. His extensive resource section (with websites for international ordering) can bring the world's best chocolate to every door. A self-avowed chocoholic, Lebovitz nibbles chocolate every day, and with The Great Book of Chocolate in hand, he figures the rest of us will too.

Gourmands everywhere will be delighted by the publication of Les Marquis de Ladurée a magic door that opens into a chocolate lovers paradise, where the precious and the delicious are combined in a world dedicated exclusively to chocolate. Ladurée share their finest recipes for chocolates, chocolate pastries, cakes and sweets all for the home cook. The recipes are complemented by a diverse text on the magical substance itself: the history of chocolate, the making of chocolate, its benefits, how to taste it, and hints and advice on pairing it with other flavours, interspersed with quotes from famous chocolate lovers past and present.

The world's bestselling travel book is back in a more informative, more experiential, more budget-friendly full-color edition. A #1 New York Times bestseller, 1,000 Places reinvented the idea of travel book as both wish list and practical guide. As Newsweek wrote, it "tells you what's beautiful, what's fun, and what's just unforgettable— everywhere on earth." And now the best is better. There are 600 full-color photographs. Over 200 entirely new entries, including visits to 28 countries like Lebanon, Croatia, Estonia, and Nicaragua, that were not in the original edition. There is an emphasis on experiences: an entry covers not just Positano or Ravello, but the full 30-mile stretch along the Amalfi Coast. Every entry from the original edition has been redressed, rewritten, and made fuller, with more suggestions for places to stay, restaurants to visit, festivals to check out. And throughout, the book is more budget-conscious, starred restaurants and historic hotels such as the Ritz, but also moderately priced gems that don't compromise on atmosphere or charm. The world is calling. Time to answer.

The book that cracks the code, from the incomparable Patricia Wells. An acclaimed authority on French cuisine, Ms. Wells has spent more than 30 years in Paris, many as former restaurant critic for The International Herald Tribune. Now her revered Food Lover's Guide to Paris is back in a completely revised, brand-new edition. In 457 entries—345 new to this edition, plus 112 revisited and reviewed classics—The Food Lover's Guide to Paris offers an elegantly written go-to guide to the very best restaurants, cafés, wine bars, and bistros in Paris, as well as where to find the flakiest croissants, earthiest charcuteries, sublimest cheese, most ethereal macarons, and impeccable outdoor markets. The genius of the book is Ms. Wells's meretricatic spirit: Whether you're looking for a before-you-die Michelin three-star experience (Guy Savoy, perhaps, or Restaurant Alain Ducasse au Plaza Athénée) or wanting to sample the new bstronomy (Bistrot Paul Bert, Le Comptoir du Relais) or craving something simple and perfect (L'As du Fallafel, or Breizh Café for crêpes), Patricia Wells tells you exactly where to go and why you should go there. You no longer have to rely on the iffy "reviews" of Yelp or Trip Advisor. Included are 40 recipes from some of her favorite chefs and purveyors and, of course, all the practical information: addresses, websites, email, hours, closest métro stop, specialties, and more.

Written by locals, Fodor's travel guides have been offering expert advice for all tastes and budgets for 80 years. Paris is an all-time top destination for travelers, and it's easy to see the allure: the experiences—dining, shopping, museum-going, neighborhood strolling—are all legendary. The new Fodor's Paris captures the best of the City of Light, from the masterful cuisine to the sweeping romance of the Eiffel Tower. This travel guide includes:
- Dozens of full-color maps
- Hundreds of hotel and restaurant recommendations, with Fodor's Choice designating our top picks
- Multiple itineraries to explore the top attractions and what's off the beaten path
- Major sights such as the Eiffel Tower, Notre-Dame, Jardin du Luxembourg, Jardin des Tuileries, Arc de Triomphe, Musée d'Orsay, Opera Garnier, Centre Pompidou, Sacre-Coeur and Musée du Louvre
- Side Trips from Paris including Versailles, Chartres, and Disneyland Paris
- Coverage of The Islands, Eiffel Tower, The Champs-Élysées, Montmartre, The Marais, Les Grands Boulevards, Eastern Paris, The Latin Quarter, St-Germain-des-Prés, Montparnasse and Western Paris Planning to visit more of France? Check out Fodor's travel guides to France and also Provence & the French Riviera.

Spilling over with all sorts of useful information for the traveler, "Eyewitness Travel Guide: France" paints a complete picture of the country. Readers will appreciate the hundreds of color photos of everything from ski towns to beaches to wine vineyards.
