Updated and restructured new edition of a textbook for courses in language and gender which is accessible to non-linguists.

Language and Gender is an introduction to the study of the relation between gender and language use, written by two leading experts in the field. This new edition, thoroughly updated and restructured, brings out more strongly an emphasis on practice and change, while retaining the broad scope of its predecessor and its accessible introductions which explain the key concepts in a non-technical way. The authors integrate issues of sexuality more thoroughly into the discussion, exploring more diverse

Read Online Language And Gender Paperback

gendered and sexual identities and practices. The core emphasis is on change, both in linguistic resources and their use and in gender and sexual ideologies and personae. This book explores how change often involves conflict and competing norms, both social and linguistic. Drawing on their own extensive research, as well as other key literature, the authors argue that the connections between language and gender are deep yet fluid, and arise in social practice.

This is an up-to-date textbook in the area of language and gender. Mary Talbot examines the language used by women and men in a variety of speech situations and genres.

An introduction to language and gender, with work from a range of

cultural - including non-Western - contexts and methodological approaches. With readings of, among others, Deborah Cameron and Mary Haas. An accompanying website can be found at <http://www.routledge.com/textbooks/0415311047>.

A Beginner's Guide to Language and Gender offers a broad and accessible introduction to the study of gender and language use for those new to the subject. The book introduces the theoretical and practical perspectives, including relevant frameworks necessary to understand ways in which language interacts with gender/sex in various settings, including: in media, in schools, in places of business, in places of worship, and at home.

The new edition of *Language and Gender: A Reader* responds to the wealth of research that has shaped the field since its initial publication in 1998. Retaining many of the foundational entries that have made the volume so popular, the second edition has been fully revised, and now includes 23 new articles and two entirely new sections. A fully revised new edition of this popular Reader which explores the widening range of language and gender research, both geographically and socially, along with changing theoretical and methodological approaches. Combines the very latest research with classic works that established the field. Features 23 new articles spanning 1997-2009 and two new sections on language, gender and sexuality, and the relevance of gender in the analysis of spoken interaction.

Read Online Language And Gender Paperback

Draws on research from all over the world, including Brazil, China, and Japan, as well as North America and Europe Discusses a wide range of topics including single and mixed-sex talk; language, gender and power; gendered talk in the public domain; and language, gender and sexuality. Includes accessible introductions to each section, which contextualize each entry

Language, Gender, and Sexuality offers a panoramic and accessible introduction to the ways in which linguistic patterns are sensitive to social categories of gender and sexuality, as well as an overview of how speakers use language to create and display gender and sexuality. This book includes discussions of trans/non-binary/genderqueer identities,

embodiment, new media, and the role of language and interaction in sexual harassment, assault, and rape.

Drawing on an international range of examples to illustrate key points, this book addresses the questions of: how language categorizes the gender/sexuality world in both grammar and interaction; how speakers display, create, and orient to gender, sexuality, and desire in interaction; how and why people display different ways of speaking based on their gender/sexual identities. Aimed at students with no background in linguistics or gender studies, this book is essential reading for anyone studying language, gender, and sexuality for the first time.

Women, Men and Language has long been established as a seminal text in

Read Online Language And Gender Paperback

the field of language and gender, providing an account of the many ways in which language and gender intersect. In this pioneering book, bestselling author Jennifer Coates explores linguistic gender differences, introducing the reader to a wide range of sociolinguistic research in the field. Written in a clear and accessible manner, this book introduces the idea of gender as a social construct, and covers key topics such as conversational practice, same sex talk, conversational dominance, and children's acquisition of gender-differentiated language, discussing the social and linguistic consequences of these patterns of talk. Here reissued as a Routledge Linguistics Classic, this book contains a brand new preface which situates this text in the modern day study of language and

gender, covering the postmodern shift in the understanding of gender and language, and assessing the book's impact on the field. *Women, Men and Language* continues to be essential reading for any student or researcher working in the area of language and gender.

This volume examines important themes in the theoretical debates on the relationship of language and gender. It analyses this relationship across a range of different disciplinary perspectives from linguistics, literary theory, cultural studies and visual analysis. The focus of the book goes beyond an analysis of women's language to discuss the complexities of gendered language with chapters on lesbian poetics, the language of girls and boys and the relationship
