book is a comprehensive reference to the world's vineyards and to the enjoyment of wine. Hundreds of full-color photographs, maps and drawings illustrate the country-by-country, vineyard-by-vineyard descriptions of all the world's wine regions from the United States and Europe to New Zealand and the Orient. Full of practical information, the book also details the intricacies of pairing wine with food, wine selection and etiquette, as well as historical and technical information about how wine is made.

changed the face of California viniculture in recent years. The New California Wine is the untold story of the California wine industry: the young, innovative producers who are rewriting the rules of contemporary winemaking; their quest to express the uniqueness of California terroir; and the continuing battle to move the state away from the overly-technocratic, reactionary practices of its recent past. Jon Bonné writes from the front lines of the California wine revolution, where he has access to the fascinating stories, philosophies, and techniques of top producers. Part narrative, part authoritative purchasing reference, The New California Wine is a necessary addition to any wine lover's bookshelf.

At one time, Italian wines conjured images of cheap Chianti in straw-wrapped bottles. More recently, expensive “Super Tuscans” have been the rage. But between these extremes lay a bounty of delicious, moderately priced wines that belong in every wine drinker’s repertoire. *Vino Italiano* is the only comprehensive and authoritative American guide to the wines of Italy. It surveys the country’s wine-producing regions; identifies key wine styles, producers, and vintages; and offers delicious regional recipes. Extensive reference materials—on Italy’s 300 growing zones, 361 authorized grape varieties, and 200 of the top producers—provide essential information for restaurateurs and wine merchants, as
