satisfying, and flavor-forward food served in a festive, communal atmosphere. Now, in this accessible and immersive debut cookbook, all of the incredible dishes that have made Bestia one of the most talked-about restaurants in the country are on full display. Rooted in the flavors and techniques of Italian regional cooking, these recipes include inventive hits like fennel-crusted pork chops; meatballs with ricotta, tomato, greens, and preserved lemon; and agnolotti made with cacao pasta dough. Irresistible desserts such as apple cider

flavors on a high note. With  
chapters on making bread,  
pasta, and charcuterie;  
sections on stocks and  
sauces; and new ideas for  
getting the most from your  
cooking by layering flavors,  
Bestia delivers a  
distinctively innovative

operations officer with the CIA. Marc Polymeropoulos has had to live with the consequences of decisions made under the most high-stress circumstances you can imagine as a senior intelligence officer in the CIA, retiring from his 26 years of service as one of the CIA's most decorated field officers. Though your crisis situations may not entail international counter terrorism as Marc's did, in our age of social media and a 24-hour news cycle, the consequences of mishandling a crisis can escalate quickly, leaving irreparable damage to a company's reputation and bottom line

in its wake. In *Clarity in Crisis*, Marc shares how true leaders need to lead in and through times of crisis and thrive under conditions of ambiguity, rather than message their way out or duck from hard decisions. This book provides proven strategies and core principles that leaders can apply to meet any crisis head on and lead through it, including: The critical elements to managing crisis, such as knowing who you can always count on to execute under high-stress situations. An understanding of the importance of following and stressing key fundamentals and avoiding

shortcuts that often do more harm than good.

Implementation guidance from the "Mad Minute" section at the end of each chapter that summarizes key points and action items you can begin applying right away. How to gain confidence that you are ready for the next crisis and embrace any situation with no fear. Far from mere theory, Clarity in Crisis outlines the unique mindset and strategies Marc himself practiced and honed throughout his remarkable career. The core principles outlined in these pages will help you find unshakeable clarity in crisis and lead when others want to flee.

## Finding Time To Be Great

Leadership has gone through many changes in the last couple of decades. We have realized that outstanding leadership is not about being authoritarian and exercising control. It is not only about the intelligence quotient (IQ) but also about emotional intelligence. To be an exceptional leader, you need several essential skills, all of which you can learn. The skills are nuanced with emotional intelligence, which you can gain. This book is unique: the author weaves leadership ideas with the song titles of The Beatles, making this book

# Online Library Leadership Lessons From A Chef

fun, playful, thoughtful, and valuable. Each chapter is organized with the key message on a leadership attribute prompted by a Beatles' song title, tips on becoming better on the topic, a practice suggestion, questions to ask yourself to think about the message, and resources for more reading. The author begins each chapter with how and why she chose the song and includes fun facts. It's an engaging book that blends the words of perhaps the greatest rock band ever—The Beatles—with the basic principles for becoming a better leader.
