leadership is very complex. Intrapersonal factors (thoughts and emotions) interact with interpersonal processes (attraction, communication, and influence) to have effects on a dynamic external environment. Each of these aspects brings complexity to the leadership process. It is the purpose of this book to make that

Presenting a follower-centered perspective

Read PDF Leadership Theories Relevant To The

Role Of The Supervisor on leadership, this book focuses on followers as the direct determinant of leadership effects because it is generally through follower reactions and behaviors that leadership attempts succeed or fail. Therefore, leadership theory needs to be articulated with a theory of how followers create meaning from leadership acts and
