Michael Thorne turns his attention to the outstandingly successful and well-loved 100 Series of tractors. Of the 100 range, the most popular was and remains the 135. Half a million 135s were built at Massey Ferguson ' s factory in Coventry alone, with production overseas on top of this figure.

Another big success was

the larger, more powerful 165, with nearly 200,000 sold. This model, like the 135, is among the most popular and sought-after classic tractors today, although many 135s and 165s are still in active use around the world, in spite of their age. The 100 range included a great number of other models, and in addition to the 135 and 165, which are
