A guide to residential electricity for professionals and laymen, discussing tools and materials, and offering instruction on how to design electrical wiring, install main service panels, install fixtures and appliances, and other tasks.

Six full practice tests plus easy-to-follow expert guidance and exam tips for Cambridge English: First for Schools The syllabus for this exam has changed and this book has now been replaced by 9781107446052 First for Schools Trainer Second edition Six Practice Tests with answers and Teacher's Notes with Audio.

The Romanesque was the first epoch of medieval art that encompassed all of Europe. Its origins hearken back to characteristic elements of Roman construction--reflected in the name of the period--and in the course of the High Middle Ages developed into the embodiment of Christian sacred art. Architecture, painting, and sculpture were permeated with the Christian worldview and the spirit of the religion. Romanesque at hand helps us understand and even experience this tight integration and masterfully explains the manifold aspects of Romanesque artistic composition, in which the hopes and fears of the people of the time found their expression.

Tensions between friends spiral towards disaster in this thrilling novel set on a luxury Greek resort, perfect for fans of Adele Parks, Louise Candlish and Liane Moriarty. With friends like these, who needs enemies? Liv Travers never knew real friendship until she met fellow mums Beth and Binnie. The three women become inseparable as they muddle through early parenthood together. Then along comes Ange... Ambitious, wealthy and somehow able to do it all. Under Ange's guiding presence, the group finds new vigour and fresh aspirations – bigger houses, better schools, dinners at exclusive restaurants. But Liv can't keep up and is increasingly edged out. When the four families take a three-week trip to a luxurious holiday resort, Liv seizes the opportunity to reclaim her place at the heart of the group, only to discover the true, devastating cost of a friendship with Ange. Set over the course of a single, life-changing trip to a Greek island paradise, Little Nothings is a sly, suspenseful novel about female bonds turned toxic, and the desperate ends one woman will go to keep her friends close – and her enemy closer.
