Libby/Libby/Short wrote this text based on their belief that the subject of financial accounting is inherently interesting, but financial accounting textbooks are often not. They believe most financial accounting textbooks fail to demonstrate that accounting is an exciting field of study and one that is important to future careers in business. When writing this text, they considered career relevance as their guide when selecting material, and the need to engage the student as their guide to style, pedagogy, and design. Libby/Libby/Short is the only financial accounting text to successfully implement a real-world, single focus company approach in every chapter. Students and instructors have responded very favorably to the use of focus companies and the real-world financial statements. The companies chosen are engaging and the decision-making focus shows the relevance of financial accounting regardless of whether or not the student has chosen to major in accounting.

This work takes a real-world, single focus company approach in every chapter. The decision-making focus shows the relevance of financial accounting regardless of whether the student has chosen to major in accounting.

Fundamentals of Financial Accounting combines an engaging writing style, entrepreneurial focus, and data-driven pedagogy in a balanced approach to Financial Accounting. Its extended coverage of the Accounting Cycle is proven to yield better short- and long-term results for students by building steadily their confidence and understanding instead of hastily rushing through challenging concepts. To better help students grasp both the practical and conceptual

side of Accounting, Phillips has created the most extensive database of high-quality video assets available in the market. Located within the Connect platform, these include: Concept Overview Videos – Focusing on core concepts tied to individual learning objectives, this animated and narrated content includes checkpoint questions that allow instructors to grade for accuracy, not just completion. Spotlight Videos – Newsmagazine-style videos providing an overview of business decisions, ethics, and internal control issues that highlight real-world situations. Flash Topic Videos – An introduction to hot topics in the accounting industry to expose students to important trends that will impact their careers. In Action Videos – Tutorials that illustrate thought processes applicable to topics like analyzing transactions, adjusting accounts, and more. Guided Examples – Instructor-enabled hint videos that are built into certain end-of-chapter content to help students work through exercises by seeing similar problems. Each chapter features real companies whose products and services are relevant to students, while the Accounting Cycle chapters follow the same start-up company to better illustrate how entrepreneurs employ financial data throughout their company's growth. Between the conversational tone, clear and concise presentations, and everyday examples, Fundamentals of Financial Accounting improves the student experience while maintaining the needed rigor to deliver successful results.

Guns. Acid. Cameras. School. The themes behind the controversial Hellblazer: Shoot by Warren Ellis and Phil Jimenez merge with the attitude of the Grant Morrison and Philip Bond masterpiece of teenage revolt, Kill Your Boyfriend, deliver a story of magic, passion, and disinformation. Wild Children: A different type of education.
