And The Sun  
for Teens is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more.

Conversations with God for Teens reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid

And ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, "Why can't I just have sex with everybody? What's the big deal?", the answer God offers her is: "Nothing you do will ever be okay with everybody. 'Everybody'

is a large word. The real question is can you have sex and have it be okay with you?" There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens.

Conversations with God for Teens is the perfect gift purchase for parents, grandparents, and anyone else who
