Do you want to be a better leader? Raise the threshold of your pain. Do you want your church to grow or your business to reach higher goals? Reluctance to face pain is your greatest limitation. There is no growth without change, no change without loss, and no loss without pain. Bottom line: if you're not hurting, you're not leading. But this book is not a theological treatise on pain. Rather in Leadership Pain Samuel Chand—best-selling author recognized as "the leader's leader"—provides a concrete, practical understanding of the pain we experience to help us interpret pain more accurately and learn the lessons God has in it for us. Chand is ruthlessly honest and highly practical as he examines the principles and practices that make our pain a means of fulfilling God's divine purposes for our churches, communities, and us. These features are included in this leadership treasure trove: **POWERFUL**, personal stories from some of the finest leaders in the world, such as Craig Groeschel, Benny Perez, Mike Kai, Lisa Bevere, Mark Chironna, Dale Bronner, Philip Wagner, Michael Pitts, and numerous others **REVEALING INSIGHTS** into the growth that occurs through pain in leadership roles **PRACTICAL EXERCISES** to help you apply the valuable principles you are learning

Unlike other books written on "toxic leaders," this book takes issue with the predominant view that "toxic leaders are bad" and destructive to their companies. Rather, the author argues that even highly productive leaders have some toxic qualities central to their success story. The book redirects the conversation about toxicity in a more productive direction, as toxic leaders are not just viewed as villains and liabilities, but are also considered as potential assets, innovators, and rebels. Working on the premise that "toxicity is a fact of company life," the book provides organizations with a model and blueprint on the advantages to be gained from skillful anticipation, control, and handling of troubled and difficult leaders. In contrast to dysfunctional organizations that ignore toxicity or dwell on the perceived destructive impact of toxic leaders, successful companies come up with resourceful, innovative strategies for turning seeming deficits into opportunities.

See faster results through everyday feedback. The Feedback Imperative: How to Give Everyday Feedback to Speed Up Your Team's Success reveals the hidden reasons why giving feedback to employees can be so difficult and yet so urgently needed in today's workplace, and provides the definitive steps for overcoming feedback avoidance and taking great leaps forward with employee engagement, retention, and performance. Anna Carroll applies her extensive research and expertise in business consulting and psychology to illustrate how brain science, generational trends, our information economy, limiting beliefs, and organizational culture collide in the new workplace, creating a huge gap between the supply and demand of helpful professional feedback. In her "Seven Steps to Everyday Feedback" and sixteen tools for self-assessment and planning, Carroll provides detailed instructions for leaders to execute a feedback turnaround that will quench their team members' thirst for helpful feedback and build a culture in which employee-to-leader and peer-to-peer feedback are welcome as well.

Richard Pound has spent half a lifetime identifying, collecting, and organizing thousands of quotations. Quotations for the Fast Lane is the result of that effort, selected by someone with an impressive range of local, national, and international experience, and arranged alphabetically by theme to be easily accessible for all readers and all occasions. Words from personalities ranging from William Blake to Warren Buffett on all topics imaginable, serve to elevate and inspire. The great majority of the quotations in this book are pithy, often humorous and sardonic, but always containing an interesting perspective on life, conduct, and achievement. Quotations for the Fast Lane: "I have great faith in fools - my friends call it self-confidence." Edgar Allan Poe "It is better to be approximately right than precisely wrong." Warren Buffett "The last refuge of the insomniac is a sense of superiority to the sleeping world." Leonard Cohen

"This is a brilliant account of how leadership is made." - Andy McNab This is the true story of 21 young men desperately trying to survive the most brutal leadership course of modern times. A throw back to the Highland Fieldcraft Training Center, the revolutionary brain child of Lord Rowallan during the Second World War, this fascinating insight explains the extraordinary lengths Sandhurst goes to in pursuit of generating the world's greatest military leaders. No one could have known that the intensity of their training was coincidentally little more than a prelude to a decade of war in Afghanistan and Iraq where attrition rates became comparable to those reached during the Second World War. This captivating story is full of emotion brought on by physical and mental endeavor that leads to success and failure. This intimate and revealing story of camaraderie is the first of its kind. But learning how to lead subordinates
