An Opera, composed by Richard Wagner.

This handsome affordable volume includes the Overtures to The Flying Dutchman and Rienzi; the Overture and Introduction to Act III of Tannhäuser; the Preludes to Acts I and III of Lohengrin; the Prelude and Liebestod from Tristan and Isolde; the Prelude to Act I of Parsifal; and the Prelude to Act I of Meistersinger.

Perhaps the most accessible of all Wagnerian operas, "Lohengrin" has delighted generations of listeners since its premiere at Weimar in 1850. A remarkable composite of intense drama and elaborate choral writing, the magical tale of the Swan-Knight is suffused with an ethereal purity of tone. Moreover, the opera is replete with memorable music: the enduringly popular preludes to Acts I and III, the "Swan music," and the immortal Bridal March, among other favorite themes. Now this glorious masterpiece of instrumental and vocal writing is available in this complete, inexpensive, sturdily bound Dover edition. Reproduced directly from the first engraved edition (1887), it includes new translations of the dedication (a letter from Wagner to Liszt) and other German-language frontmatter. Music lovers, opera buffs, admirers of Wagner, students, teachers all will rejoice to find this beloved opera available in its entirety in the authoritative Breitkopf & Hartel edition at a refreshingly reasonable cost."

Wagner's Wedding March for Easy Piano A SilverTonalities Arrangement! Easy Note Style Sheet Music Letter Names of Notes embedded in each Notehead!

A favorite with audiences and musicians since its first performance in 1831, this tale of two lovers unfolds in an idyllic village setting. Bellini was one of the most popular composers of his era, and this opera is particularly admired for the simplicity and economy of its orchestration and its inspired lyricism.
