What about Lottie Moon? | WMU

Lottie Moon died on Christmas Eve in 1913. Because she was willing to go and give of herself in China, many Chinese people heard about Jesus, and churches were established that are still there to this day. And because of her passion for missions, many people have given money to help spread the gospel around the world. Fun Facts About Lottie Moon

Lottie Moon | Kids Answers

On July 7, 1873 Charlotte "Lottie" Moon was appointed a missionary by the Baptist Foreign Mission Board in Richmond, Virginia. She was 33 years old. A major feat as "the single woman issue" caused some hesitation. Lottie never married, but her qualifications to teach and serve the church were undeniable.

7 Things You Ought to Know about Lottie Moon - Juicy Ecumenism

Charlotte Digges "Lottie" Moon (December 12, 1840 – December 24, 1912) was a Southern Baptist missionary to China with the Foreign Mission Board who spent nearly 40 years (1873–1912) living and working in China. As a teacher and evangelist she laid a foundation for traditionally solid support for missions among Southern Baptists, especially through its Woman's Missionary Union

Lottie Moon - Wikipedia

Lottie Moon, a missionary to China 140 years ago, labored to tell the Chinese about Christ. As a way to earn trust, she made teacakes for the children in her village. Once the children ate the cookies, they took Lottie to their homes where she shared the Gospel with their mothers. Lottie was known as "the cookie lady."

20+ Lottie Moon ideas | lottie, southern baptist, how to ...

By Linda Hull It is said that Charlotte Digges Moon (Lottie, for short), born December 12 th, 1840, was a precocious child, somewhat unruly, and irreverent. Many prayed for her salvation, but she was a scoffer. Later, after a series of revival meetings, she decided to seriously consider Christianity.

Find out how the naughty little rich girl gives her life to mission work in China. Today she is one of the best remembered missionaries in America with millions of dollars having been raised by her memorial Christmas offering.

Legendary Southern Baptist missionary Charlotte "Lottie" Moon played a pivotal role in revolutionizing southern civil society. Her involvement in the establishment of the Women's Missionary Union provided white Baptist women with an alternate means of gaining and asserting power within the denomination's organizational structure and changed it forever. In Lottie Moon: A Southern Baptist Missionary to China in History and Legend Regina Sullivan provides the first comprehensive portrait of "Lottie," who not only empowered women but also inspired the formation of one of the most influential religious organizations in the United States. Despite being the daughter of slaveholders in antebellum Virginia, Moon never lived the life of a typical southern belle. Highly educated and influenced by models of independent womanhood, including an older sister who was a woman's rights advocate, an open opponent of slavery, and the first Virginian female to earn a medical degree, Moon followed her sister's lead and utilized her extensive education to successfully combine the language of woman's rights with the egalitarian impulse of evangelical Protestantism. In 1873 Moon found her true calling, however, in missionary work in China. During her tenure there she recommended that the week before Christmas be designated as a time of giving to foreign missions. In response to her vision, thousands of Southern Baptist women organized local missionary societies to collect funds, and in 1888, the Woman's Missionary Union was founded as the Southern Baptist Convention's female auxiliary for missionary work. Sullivan credits Moon's role in the establishment of the Woman's Missionary Union as having a significant impact on the erosion of patriarchal power and women's new engagement with the public sphere. Since her initial plea in 1888, the Missionary Union's annual "Lottie Moon Christmas Offering" has raised over a billion dollars to support missionary work. Lottie Moon captures the influence and culminating effect of one woman's personal, spiritual, and civic calling.

After becoming the most educated woman in the American South, Lottie Moon (1840-1912) spent thirty-nine years in China.

As she watched her fellow missionaries fall to disease and exhaustion, she became just as dedicated to educating Christians about the often preventable tragedies of missionary life as she was to educating Chinese people about the Christian life. Today, an annual missionary offering taken in her name continues to enable countless others to give their all for the gospel.

Born into a privileged southern American family, Lottie Moon became a missionary to the poorest cities in China, risking her life for others.

'Few books are more inspiring to the Christian reader than a compelling missionary biography. This book is no exception. Paul Schlehlein has given us a heart-moving, soul-stirring survey of the life and labours of the famed missionary to the flesh-eating cannibals of the South Sea Islands, John G. Paton. Paton's zeal for reaching this remote people group with the good news of the gospel will both encourage and motivate you in your own Christian walk. These pages will challenge your commitment to Jesus Christ and intensify your zeal to live for the glory of God. You simply must read this book and, by God's grace, learn the lessons Paton's extraordinary life sets forth.' STEVEN J. LAWSON

This book is dedicated to one of the great Southern Baptist Missionaries, Lottie Moon. If you are a Southern Baptist you are accustomed to the annual Christmastime tradition of taking up the Lottie Moon Christmas Offering for Foreign Missions. The Lottie Moon offering is specifically important to Southern Baptists because 55% percent of all of the money that is raised by the denomination every year comes from this one offering. And while most Southern Baptists know that Lottie Moon was a missionary to China, few know, because their denominational leaders no longer wish to tell the story, that before becoming a missionary, Lottie was a spy for the Confederacy during the War Between the States. Another inconvenient truth is that the Moons were one of Virginia's most prominent slave-owning families. After the War, Lottie would choose to go to China as a missionary because it was preferable to her than living under the cruelty of Yankee occupation. Unable to live in a free Southern nation, she chose instead to live as a "free" Southern woman in the harsh land of China rather than as a slave in her beloved but Yankee occupied Southland that had been overrun by carpetbaggers and re-constructionists. And thus she gave her life, inspiring millions. Also noteworthy is the fact that unlike the many Southern Baptist leaders insistent upon apologizing for Lottie and others of her generation, Lottie herself never once apologized for having been a Southerner. Never once did she apologize for the fact that her family owned a plantation, or slaves. Nor did she ever apologize for her dangerous service to the Confederate nation of which she still considered herself a citizen even at life's end. The author is NOT writing this book to impugn the testimony of Lottie Moon. She has been, and she remains, one of his heroes of the faith. Rather, the author rightly points out that while slavery was horrible, equally horrible is to judge Lottie Moon, John Broadus, or other faithful Christians of the antebellum period by the standards and morality of a future time in which they did not live. May you be inspired as you read the testimony of one of God's most special and unique servants.

"When the author's father died, Marc Jolley decided that he needed to write something for his sons about what was important in his life. The result, while not a full autobiography, deals with three things in his life that have shaped it more than others; it is about what he loves: baseball, God, and family, but not necessarily in that order all of the time. This memoir, then, is about what the author "knows" and to that extent, each sentence is true in the best tradition of Hemingway. Safe at Home is both a phrase used in baseball and an expression that captures the importance of family." "This story is about how faith, family, and baseball have intersected in his life, an intersection that occurs at home. Critical moments of Jolley's life have seen God, baseball, and family impact at very important times in his life. Whether losing game after game in little league, watching the World Series with his father, or quitting the high school team, the presence of family and his faith shape how he overcomes disappointment or celebrates the sheer joy of playing. Collecting baseball cards in 1968 provides him with a lesson in race and his mother's faith that opens his eyes to a world he never knew."--BOOK JACKET.

"John Piper's succinct and superbly perceptive study of William Wilberforce deserves to become an acclaimed bestseller. It not only tells the story of a great man's life-it also tells us how to understand the ultimate source of his greatness and happiness. Moreover, that understanding goes far deeper than the abolitionist achievements for which Wilberforce is honored, astounding though they were. William Wilberforce's secret, as revealed in this book, was that he made the journey from self-centeredness, achievement-centeredness, and political-centeredness to God-centeredness. And he made it with Christlike joy." -Jonathan Aitken Against great obstacles William Wilberforce, an evangelical Christian and a member of Parliament, fought for the abolition of the African slave trade and against slavery itself until they were both illegal in the British Empire. Many are aware of Wilberforce's role in bringing an end to slavery in Great Britain, but few have taken the time to examine the beliefs and motivations that spurred him on for decades. In this concise volume, John Piper tells the story of how Wilberforce was transformed from an unbelieving, young politician into a radically God-centered Christian, and how his deep spirituality helped to change the moral outlook of a nation. As world leaders debate over how to deal with a host of social justice and humanitarian crises, a closer look at Wilberforce's life and faith serves as an encouragement and example to all believers.
