A live conference workbook and 10 week study guide.

Children need love. Parents need respect. It is as simple and complex as that! When frustrated with an unresponsive child, a parent doesn't declare, "You don't love me." Instead the parent asserts, "You are being disrespectful right now." A parent needs to feel respected, especially during conflicts. When upset a child does not whine, "You don't respect me." Instead, a child pouts, "You don't love me." A child needs to feel loved, especially during disputes. But here's the rub: An unloved child (or teen) negatively reacts in a way that feels disrespectful to a parent. A disrespected parent negatively reacts in a way that feels unloving to the child. This dynamic gives birth to the FAMILY CRAZY CYCLE. So how is one to break out of this cycle? Best-selling author Emerson Eggerichs has studied the family dynamic for more than 30 years, having his Ph.D. in Child and Family Ecology. As a senior pastor for nearly two decades, Eggerichs builds on a foundation of strong biblical principles, walking the reader through an entirely new way to approach the family dynamic. For instance, God reveals ways to defuse the craziness with our children from preschooler to teen, plus how to motivate them to obey and how to deal with them when they don't. In the Bible, God has spoken specifically to parents on how to parent. This book is about that revelation.

When you touch your spouse's deepest need, something good almost always happens! Based on three decades of counseling and research, Dr. Emerson Eggerichs leads couples through the intricacies of a marriage built on Love and Respect. He explores the differences in men and women and how a husband's need for respect can be balanced by a wife's need for love. When these needs are mutually recognized and made a priority, a fulfilling and meaningful marriage will be the inevitable result. Love and Respect for a Lifetime makes the ideal gift: It's all color, photo-filled design makes it inviting for couples to look at together. It is a compilation of Dr. Eggerichs best Love & Respect tips: a quick and easy read that proves enticing to a spouse that might be apprehensive of working through an entire study or book. It's engaging message validates the core needs of each spouse and gives a message of hope, encouragement and practical time-tested solutions for every marriage rather than focusing on placing blame or judging. It's ideal as a gift for dating or engaged couples, as well as a wedding or anniversary gift. It's elegant design invites the recipients to open, read it together and leave out as a display for others to take a closer look at what it means to love her and to respect him.

A Devotional Unlike Any Other! Through the millions of products sold on Love & Respect, Emerson Eggerichs has transformed marriages around the world with his biblically based approach to understanding the love that she most desires and the respect that he desperately needs. Now, in this long-awaited release, Emerson has created an experience for couples that is effective, flexible and life-changing. To build this couples devotional, Eggerichs has taken the top concerns that surfaced in a survey of thousands of couples and has developed 52 devotionals around the three cycles that are at the heart of Love and Respect. On one occasion the couple will be talking about how to stop the Crazy Cycle or keep it at bay. The very next devotional will talk about a concept built upon the Rewarded Cycle, which stresses the ultimate purpose for marriage. And the next may have both people talking about ways to use the Energizing Cycle in their efforts to love and respect each other. Some may ask, "Why 52 and not 365, like other couples devotionals I have seen?" The author's research shows that married couples don't want to deal with that much material, that often. Therefore, the specific devotionals, which can be done weekly or at any chosen pace, are specifically guided to what couples say they most need. And this is a husband-friendly devotional, having been written and designed in such a way that the husband can feel comfortable in the entire process. With this wealth of new material and video devotionals available online to support the product, The Love & Respect Experience will be indispensable to anyone wishing to better their marital relationship.
