From the co-founders of Havenly comes “a perfect read for anyone looking to infuse more personality and style into their space—on their own time and budget, and in their own unique way” (Rachel Zoe). “Not only do Lee and Emily unpack all their tips for creating a space that looks as good as it feels, but they do it in a way that is made for real-life application.”—Bobby Berk, design expert and host of Netflix’s *Queer Eye* Interior design can be daunting, and as a result, many of us never even attempt to design our own homes. In *Design the Home You Love*, Havenly founders Lee Mayer and Emily Motayed break down the ambiguous world of home design. First you learn how to identify your own style (whether you’re a fan of Parisian Modern or California Casual) and then how to incorporate furniture that matches your style and fits your budget. *Design the Home You Love* takes you step-by-step and room-by-room through each part of the house to help you fulfill your home’s potential. Whether you’re looking to give your home a complete makeover, spruce up your rental apartment, or merely take your living room from blah to fab, Lee and Emily bring fresh ideas, advice, and inspiration to the table. Illustrated with eye-catching photography and livable inspiration from real-life clients, this is the interior design book that finally makes it possible for us all to achieve our design goals.

The perfect gift for high school graduates! College is a time when new and exciting horizons stretch out before us. We meet new friends and form relationships that last a lifetime. We discern what’s most important and what our ultimate direction in life will be. For those of us whose college days are in the rearview mirror, we long for recent graduates to love college and to make the most it. Often, we’re at a loss as to what advice to give our friends and family who are heading off to college—even though those years may well be the most consequential years of their lives. From Biola president Barry Corey comes the perfect guide to making the college years count. It touches on everything from college romances to making friends, from getting sleep to embracing boredom, from your inner life to your social life. In this slender volume, Barry Corey gives you wisdom that rings true but is rarely passed on. He serves up tips for survival, virtues to embrace, ideas to think about, and habits to cultivate for an enjoyable and flourishing journey through college. After all, you will remember your college experience for the rest of your life. Make the most of it.
