health care, For

Health

Information

Management,

Sixth Edition,

puts everything
you need at your
fingertips.

Medical care is
an industry and
private
providers and
hospitals are

Online Library Management

Principles For
the major
service
providers. They
operate on
business
principles.

Hospitals are
getting highly
specialized and
complex. The
diagnostics and
therapeutics are
technology
intensive.

Online Library

Management

Principles For

establishments have to compete with one another to remain in business. They strive to induct the best talent and latest technical know-how, resulting in ever-increasing costs to patients.

Online Library Management

Principles, who
pay high
charges, demand
quality as a
matter of right.

To meet the
challenge,
hospitals are
constrained to
bring in
professionalism
in their systems
and services.

They appoint

Online Library Management

Principles For
Health
Professionals
6th Edition

qualified professional managers to manage their clinics and hospitals with a view to sparing health professionals to focus on clinical care. Whether right or wrong, 'management' is

Online Library Management

Principles For
Health
Professionals
6th Edition

often associated with authority and power. As a result, the medical professionals are reduced to secondary level in some organizations. To retain commanding positions in medical

Online Library Management

Principles For
Health
Professionals
6th Edition

organizations,
it has become
necessary for
the healthcare
professionals to
learn

'management', at
least its
basics. On the
other hand, non-
medical managers
while managing
healthcare
services do not

Online Library Management

get the principles required
cooperation from
the medical
professionals,
as the latter
are often
secretive and
not willing to
share medical
knowledge. If
medical
knowledge is
demystified, non-
medical managers

Online Library Management

Principles For
Health
Professionals
6th Edition

can perform many functions in healthcare organizations proficiently.

Both medical and non-medical managers can complement each other in providing quality healthcare services. The

Online Library Management

Principles For
Health
Professionals
6th Edition

book aims to
orient
clinicians
(including
physicians and
nurses) and
other healthcare
professionals on
the essentials
of business
management and
to familiarize
them with
management terms

Online Library Management

and jargon. They can learn to be effective managers besides being health professionals. Similarly, non-medical managers can get familiarized to nuances of clinical care and special managerial
