Recently widowed, Rebecca Parcell is too busy struggling to maintain her farm in Morristown to give a fig who wins the War for Independence. But rumors are spreading in the winter of 1780 that she's a Loyalist sympathizer who betrayed her husband to the British—quite a tidy way to end her disastrous marriage, the village gossips whisper. Everyone knows that her husband was a Patriot, a hero who died aboard a British prison ship moored in New York Harbor. But "everyone" is wrong. Parcell was a British spy, and General Washington—who spent that winter in Morristown—can prove it. He swears he'll safeguard Becca's farm if she unravels her husband's secrets. With a mob ready to exile her or worse, it's an offer she can't refuse. Escaped British prisoner of war Daniel Alloway was the last person to see Becca's husband alive, and Washington throws this unlikely couple together on an espionage mission to British-occupied New York City. Moving from glittering balls to an underworld of brothels and prisons, Becca and Daniel uncover a plot that threatens the new country's future. But will they move quickly enough to warn General Washington? And can Becca, who's lost almost everyone she loves, fight her growing attraction to Daniel, a man who always moves on?

From the Sunday Times bestseller comes a stunning novel that will warm your heart " The feeling you get when you read a Milly Johnson book should be bottled and made available on the NHS " Debbie Johnson 'Clear your house and clear your mind. Don't let life's clutter dictate to you. Throw it away and take back the control!' When Lou Winter picks up a dog-eared magazine in the dentist's waiting room and spots an article about clearing clutter, she little realises how it will change her life. What begins as an earnest spring clean soon spirals out of control. Lou's loved ones grow disgruntled. Why is clearing out cupboards suddenly more important than making his breakfast, her husband Phil wonders? The truth is, the more rubbish Lou lets go of, the more light and air can get to those painful, closed-up places at the centre of her heart. Even lovely Tom Broom, the man who delivers Lou's skips, starts to grow concerned about his sweetest customer. But Lou is a woman on a mission, and not even she knows where it will end. . . . Praise for Milly Johnson: 'Every time you discover a new Milly book, it 's like finding a pot of gold' heat 'A glorious, heartfelt novel' Rowan Coleman ' Absolutely loved it. Milly's writing is like getting a big hug with just the right amount of bite underneath. I was rooting for Bonnie from the start' Jane Fallon ' Bursting with warmth and joie de vivre ' Jill Mansell ' Warm, optimistic and romantic ' Katie Fforde

When Needy's best friend Jennifer starts acting oddly after a night at a concert by a disturbing rock band, and people from their high school start dying in gruesome ways, Needy tries to find out what happened to Jennifer.

Updated throughout, this highly readable best-seller presents basic concepts and practical material in each of the areas fundamental to modern surveying (geomatics) practice. Its depth and breadth are ideal for self-study. KEY TOPICS: Includes new discussions on the impact of the new L2C and L5 signals in GPS and on the effects of solar activity in GNSS surveys. Other new topics include an additional method of computing slope intercepts; an introduction to mobile mapping systems; 90% revised problems; and new Video Solutions. MARKET: A useful reference for civil engineers

The Collected Works of Witness Lee, 1959, volume 3, contains messages given by Brother Witness Lee in September through December 1959. Historical information concerning Brother Lee's travels and the content of his ministry in 1959 can be found in the general preface that appears at the beginning of volume 1 in this set. The contents of this volume are divided into four sections, as follows: 1. Personal notes consisting of two sets of outlines for gospel meetings held in Taipei and Kaohsiung, Taiwan, in September and November 1959. These notes are included in this volume under the title Witness Lee's Personal Notes. 2. Twenty-five messages given in Taipei, Taiwan, in the fall of 1959. These messages were previously published in a book entitled Lessons for New Believers and are included in this volume under the same title. 3. Five messages given in Taipei, Taiwan, in the first part of a training that began on October 5, 1959, and concluded on January 22, 1960. Chapters 1, 2, 4, and 5 were previously published in a book entitled On Knowing the Bible. Chapter 3 was added based on notes taken by Brother K. H. Weigh and his wife, Lin Yi-tian. The messages that compose the first four chapters were given on October 6 through 9, 1959, and the fifth message was probably given shortly thereafter. The five messages are included in this volume under the same title as the previously published book. 4. Ten messages given in Taipei, Taiwan, in the second part of a training that began on October 5, 1959, and concluded on January 22, 1960. These messages were previously published in a book entitled Ten Lines in the Bible. Later, two appendices were added based on notes taken by Brother K. H. Weigh and his wife, Lin Yi-tian. The exact dates for the speaking of these messages are unknown, but they were given in the winter of 1959. The ten messages and the two appendices are included in this volume under the same title as the previously published book.
