Rescuing human Zoey Tyler from a werewolf attack, changeling wolf Connor Macleod is the only one who can show her what she has been turned into as the full moon approaches and he prepares her for initiation into his Pack. Original.

Ethan Hale is a vampire with a mission. Together with his three brothers and a few other unmated members, he fights with The Vampire Coalition to protect humans from fallen vampires. His life is fairly simple. If he has a problem...he solves it. If it's an evil problem...he kills it. But his uncomplicated life is about to end when his mate unexpectedly calls him to her. Brianna Cole is weak, her life force fading away. She thinks she is suffering from a rare form of leukemia. Little does she knows that her illness is much more complicated. She's dying because she has not united with her vampire mate and given him his soul that she has been guarding since birth. Ethan finds Brianna and knows he needs to convince her to mate or watch her die. He's waited for her for five hundred years and he has no intention of letting her go, but she is not in any shape for the dominate, volatile mating ceremony with a vampire. He will have to win the race against time to strengthen Brianna and a battle with a stalking fallen to claim his mate. He is also at war with his mating instincts that make him burn to dominate and conquer her. But Ethan is determined, and the stubborn vampire will do whatever is necessary to possess his soul bonded mate...forever.

Run Shadow and moonlight merge beneath her bare feet, the forest floor blurring as she flees the dogs and torches. Werewolf, monster--those are the names given her kind by the humans who hate them. Hunt Kenzie Macleod has spent her whole life hiding what she is, and she's not about to open up to any man, even one as powerfully attractive as wildlife expert Josh Talarkoteen. But legend says that a Changeling cannot escape the call of her true mate, even in the wilderness of backcountry Alaska. Mate An isolated archeological site, a terrified Changeling cub, a shadowy research facility--as Kenzie and Josh face the ultimate betrayal, his obsidian eyes promise untold pleasure and hint at dark secrets of his own. . . "Make room on the keeper shelf--Dani Harper is definitely an author to watch." --Kate Douglas

#1 New York Times bestselling author Nalini Singh allies two fierce changelings in this explosive Psy-Changeling novel. Though DarkRiver sentinel Mercy is feeling the pressure to mate, she resists savagely when Riley Kincaid, a lieutenant from the SnowDancer pack, seeks to possess her. The problem is not simply that he pushes her buttons; the problem is that he ' s a wolf, she ' s a cat, and they ' re both used to being on top. But when a brilliant changeling researcher is kidnapped from DarkRiver territory in a seemingly senseless attack, Mercy and Riley must work together to track the young male—before his shadowy captors decide he ' s no longer useful. Along the way, the two dominants may find that submitting to one another uncovers not just a deadly conspiracy, but a passion so raw, it ' ll leave them both branded by fire...

An absolutely fantastic read." -Joyfully Reviewed In times of stress Jillian Descharme has always found calm in her dream of a great white wolf with haunting blue eyes. But she is startled when the visions return and this time seem so real. Late at night he comes to her, speaks to her, touches her. It's almost as if he's alive. . . Powerful and uplifting. . ." -The Romance Studio (Five hearts) Thirty years ago James Macleod lost his wife and unborn child to a killer bent on destroying the Changelings. Though he longed for death, his animal instinct fought for survival and James has been a wolf ever since. Yet now a woman has reawakened the man in him, taming wild instincts but arousing still wilder needs. With his ancient enemy hunting the legendary white wolf, James must fight for new life, new hope, new love. "A remarkable story of belonging, need and passion." -Coffee Time Romance (Five cups) "Make room on the keeper shelf-Dani Harper is definitely an author to watch." --Kate Douglas

Wolf Mates An American Werewolf in Hoboken What's New Pussycat? Moon Over Manhasset Ruff & Ready Derrick Adams is not happy. His pack of werewolves isn't like all the others. His brother Max found his lifemate in the pound, he has a cousin who's a vegetarian, and Xavier Wolf comes from a pride, instead of a pack. Lassiter Adams isn't exactly what he seems, either. Neither is his parakee! And now Derrick has a lifemate of his own -- and she isn't barking. You'll laugh, you'll sigh, and you'll need a fan, because these stories are exceptionally hot!

New York Times bestselling author Nalini Singh returns to her breathtaking Psy-Changeling Trinity series with a mating that shouldn ' t exist... Alpha wolf Selenka Durev ' s devotion to her pack is equaled only by her anger at anyone who would harm those under her care. That currently includes the empaths who ' ve flowed into her city for a symposium that is a security nightmare, a powder keg just waiting for a match. Ethan Night is an Arrow who isn ' t an Arrow. Numb and disengaged from the world, he ' s loyal only to himself. Assigned as part of the security force at a world-first symposium, he carries a dark agenda tied to the power-hungry and murderous Consortium. Then violence erupts and Ethan finds himself crashing into the heart and soul of an alpha wolf. Mating at first sight is a myth, a fairytale. Yet Selenka ' s wolf is resolute: Ethan Night, broken Arrow and a man capable of obsessive devotion, is the mate it has chosen. Even if the mating bond is full of static and not quite as it should be. Because Selenka ' s new mate has a terrible secret, his mind surging with a power that is a creature of madness and death...

THE FIRST PSY/CHANGELING NOVEL from the New York Times bestselling author of Shards of Hope, Shield of Winter, and Heart of Obsidian... The book that Christine Feehan called "a must-read for all of my fans." In a world that denies emotions, where the ruling Psy punish any sign of desire, Sascha Duncan must conceal the feelings that brand her as flawed. To reveal them would be to sentence herself to the horror of " rehabilitation " —the complete psychic erasure of everything she ever was...Both human and animal, Lucas Hunter is a Changeling hungry for the very sensations the Psy disdain. After centuries of uneasy coexistence, these two races are now on the verge of war over the brutal murders of several Changeling women. Lucas is determined to find the Psy killer who butchered his packmate, and Sascha is his ticket into their closely guarded society. But he soon discovers that this ice-cold Psy is very capable of passion—and that the animal in him is fascinated by her. Caught between their conflicting worlds, Lucas and Sascha must remain bound to their identities—or sacrifice everything for a taste of darkest temptation...

Discover the exhilarating risks of passion in the breathtaking new Psy-Changeling novel by Nalini Singh, the New York Times bestselling " alpha author of paranormal romance " (Booklist)... Adria, wolf changeling and resilient soldier, has made a break with the past—one as unpredictable in love as it was in war. Now comes a new territory, and a devastating new complication: Riaz, a SnowDancer lieutenant already sworn to a desperate woman who belongs to another. For Riaz, the primal attraction he feels for Adria is a staggering betrayal. For Adria, his dangerous lone-wolf appeal is beyond sexual. It consumes her. It terrifies her. It threatens to undermine everything she has built of her new life. But fighting their wild compulsion toward one another proves a losing battle. Their coming together is an inferno...and a melding of two wounded souls who promise each other no commitment, no ties, no bonds. Only pleasure. Too late, they realize that they have more to lose than they ever imagined. Drawn into a cataclysmic Psy war that may alter the fate of the world itself, they must make a decision that might just break them both.
