Want to clean a coffeepot in a flash? Unclog a sink with a simple homemade solution? Remove a stubborn stain? Let Her Royal Highness of housekeeping show you how to turn your home into a sparkling palace - in no time at all! Here comes the Queen of Clean, and her down-to-earth housekeeping guide for those of us who live in the real world. After all, the Queen has better things to do that be a slave to housework. That's why she has assembled a marvellous collection of miraculous cleaning tips and surprising shortcuts that get the job done quickly and well. Without a lot of fuss, you can solve hundreds of cleaning challenges in every room of your home: * Remove dust, rust, gum, fingerprints, stains, odours and mildew * Clean leather and upholstery, carpets, windows, walls, floors, kitchen appliances, grills and more The Queen counts her pennies too - with inexpensive, environmentally friendly cleaning concoctions and ingredients you might never expect. They include onion (a great rust-remover) lemon juice, vinegar, petroleum jelly, baking soda and tea - the wood cleaner you can drink.

¶Guides readers toward the road less consumptive, offering practical advice and moral support while making a convincing case that individual actions . . . do matter.¶ Elizabeth Royle, author, Garbage Land and Bottlemania Like many people, Beth Terry didn't think an individual could have much impact on the environment. But while laid up after surgery, she read an article about the staggering amount of plastic polluting the oceans, and decided then and there to kick her plastic habit. In Plastic-Free, she shows you how you can too, providing personal anecdotes, stats about the environmental and health problems related to plastic, and individual solutions and tips on how to limit your plastic footprint. Presenting both beginner and advanced steps, Terry includes handy checklists and tables for easy reference, ways to get involved in larger community actions, and profiles of individuals¶Plastic-Free Heroes¶who have gone beyond personal solutions to create change on a larger scale. Fully updated for the paperback edition, Plastic-Free also includes sections on letting go of eco-guilt, strategies for coping with overwhelming problems, and ways to relate to other people who aren't as far along on the plastic-free path. Both a practical guide and the story of a personal journey from helplessness to empowerment, Plastic-Free is a must-read for those concerned about the ongoing health and happiness of themselves, their children, and the planet.

To Piper Anderson, fate has always been that unavoidable circumstance that befalls a person. Some people are destined to be happy, and others, like Piper, have a rougher road. Each time she tries to step off her predetermined path in search of happiness, someone or something drags her back to it. Heartbroken after Bobby allows his own past to come between them, Piper is eager to leave Edenville behind. With Jules as her companion, she heads back to New York, the place where it all began, in search of a piece of her history that isn't tarnished. Although finding the truth isn't nearly as difficult as Piper imagined it would be, she can't shake the feeling that what she has discovered may be too good to be true. Can Piper find what she is looking for and finally change her own fate?

Haynes disassembles every subject vehicle and documents every step with thorough instructions and clear photos. Haynes repair manuals are used by the pros, but written for the do-it-yourselfer.

This valuable, practical guide is your answer to provide your family with a life free from harsh everyday chemicals. WithNatural Solutions for Cleaning & Wellness and a few ingredients from your kitchen, you can clean your home and treat minor ailments, naturally! Halle Cottis shows you how to use all-natural concoctions to transform your house into a toxic-free home. She details how common kitchen ingredients can be used as natural solutions to save time and money, both in the home ¶ with Kitchen Disinfectant Cleaner, Dry & Liquid Laundry Detergent or Pest Control ¶ and for your health, whether you are dealing with Headaches & Migraines, Skin or Digestive System issues. This book will have 100 recipes for remedies and cleaners.

Taking into account the various types of lamps, chandeliers, and ceiling and wall fixtures, the author describes the procedures for repairing, rewiring and restoring lighting fixtures as well as choosing a lampshade

Beyond Great will give readers everywhere the strategies they need to navigate a daunting new era of technological, economic, and social change. Supported by years of research and hands-on consulting practice, it will present a comprehensive framework for building a high performing, adaptive, and socially responsible global company. The book begins by taking an incisive look at the disruptive forces transforming globalization, including economic nationalism; the boom in data flows and digital commerce; the rise of China; heightened public concerns about capitalism and the environment; and the emergence of borderless communities of digitally connected consumers. The authors then offer nine core strategies that will help businesses today address and exploit these forces. Through compelling stories from real companies that have used these strategies to make change, Beyond Great argues that leaders today must evince a new kind of flexibility and light-footedness, constantly layering in new strategies and operational norms atop existing ones to allow for "always-on" transformation. Leaders must master a whole new set of rules about what it takes to be "global," becoming shapeshifters adept at handling contradiction, multiplicity, and nuance. This book will show them how.
