A sad but moving novel; Me Since You is a difficult, yet eye opening journey into the deep, dark abyss of grief. It doesn't start out as an emotional train wreck, though, which is something I really appreciated. We get introduced to Rowan as a normal teenager. We see her living a normal life, with the angst and risk that come with teenage antics.

~~Me Since You by Laura Wiess - Goodreads~~

ME SINCE YOU is an almost flawless account of grieving what once was, and learning to live with a new, unwanted normal. Laura Wiess's prose nearly dances off the page (or kindle screen) into the reader's mind. Some sentences are so deeply profound, I had to stop reading just to absorb them. The pace is fast, but not too fast paced.

1. Throughout Me Since You, Laura Wiess uses epigraphs to enhance the meaning of certain chapters or passages, as well as the book as a whole. When Rowan's family is writing Nick's eulogy, her mother also uses an epigraph from Bartlett's Quotations to find a way to begin their tribute to Nick. Imagine you had to replace the epigraph at the beginning of the book—find a new quotation that you think represents a theme or idea from Me Since You.

Meredith was promised nine years of safety, but they only gave her three. Her father, who was sent to prison for sexually abusing Meredith and other children in the small town, has been released early on good behaviour. He was supposed to be locked up until Meredith's eighteenth birthday, when she would be free of her abusive father and her delusional mother, who dwells on a fantasy that the three of them will be a happy family once more. But Meredith is only fifteen, and her father is out of prison...and her mother is bringing him home. And Meredith won't let him hurt her, or anyone else, ever again. No matter what the cost. Lyrical, suspenseful, and emotionally shattering, SUCH A PRETTY GIRL is the compelling story of one young woman's painful fight for survival - and her journey back to herself.

When sixteen-year-old Rowan decides to skip school with her friends, she inadvertently involves her police officer father in a suicide.

Seventeen-year-old Hanna has been in love with Seth for as long as she can remember, but now that her feelings are requited and she and Seth are in an actual relationship, it feels like love just isn't enough. Seth is controlling and all they seem to do anymore is hurt each other. If that's what love is, Hanna doesn't want any part of it. Besides, she has something else on her mind: graduation. But she's been ignoring the school's community service requirement for years, and now she needs to clock in some hours in a hurry. She volunteers as a caretaker for the Schoenmakers, an elderly couple who live on a farm behind Hanna's house. Mrs. Schoenmaker has advanced Parkinson's, and her husband can't always be there to watch over her. While caring for Mrs. Schoenmaker, Hanna gets drawn into an audiobook that the older woman is listening to, a love story of passion and sacrifice and shared hurts and complete devotion. She's fascinated by the idea that love like that can truly exist, and without her even realizing it, the story begins to change her. But what Hanna doesn't know is that

the story she's listening to is not fiction -- and that Mrs. Schoenmaker and her husband's devotion to each other is about to reach its shattering, irrevocable conclusion...

A devastating novel of desperation and revenge from Laura Wiess. In this follow-up to her heartbreaking debut, *Such a Pretty Girl*, once again spins a shattering tale of the tragedies that befall young women who are considered society's Leftovers. Blair and Ardith are best friends who have committed an unforgivable act in the name of love and justice. But in order to understand what could drive two young women to such extreme measures, first you'll have to understand why. You'll have to listen as they describe parents who are alternately absent and smothering, classmates who mock and shun anyone different, and young men who are allowed to hurt and dominate without consequence. You will have to learn what it's like to be a teenage girl who locks her bedroom door at night, who has been written off by the adults around her as damaged goods. A girl who has no one to trust except the one person she's forbidden to see. You'll have to understand what it's really like to be forgotten and abandoned in America today. Are you ready?

Lauded by critics and authors for her heartbreakingly real heroines, Laura Wiess brings readers another devastating tale of betrayal and redemption rich with the raw emotion that made *Such a Pretty Girl* a classic. How can you make someone love you when they won't? And what if that person happens to be your mother? Sayre Bellavia grew up knowing she was a mistake: unplanned and unwanted. At five months shy of eighteen, she's become an expert in loneliness, heartache, and neglect. Her whole life she's been cursed, used, and left behind. Swallowed a thousand tears and ignored a thousand deliberate cruelties. Sayre's stuck by her mother through hell, tried to help her, be near her, be important to her even as her mother slipped away into a violent haze of addiction, destroying the only chance Sayre ever had for a real family. Now her mother is lying in a hospital bed, near death, ravaged by her own destructive behavior. And as Sayre fights her way to her mother's bedside, she is terrified but determined to get the answer to a question no one should ever have to ask: Did my mother ever really love me? And what will Sayre do if the answer is yes?

Between workouts, charity events, and shopping, Ann Barons keeps her days as full as her walk-in closets. She shares an immaculate house with her CEO husband, Mike, and their two teenagers, Nate and Lauren. It's a luxurious life, far from her homespun childhood on a farm in eastern Pennsylvania. . .which is why Ann is wary when her elderly parents ask to move in temporarily. Ann prepares in the way she knows best--hiring decorators and employing a full-time nurse for her dementia-stricken father. But nothing can prepare her for the transformations ahead. Soon, her mother Eileen is popping in to prepare soups and roasts in Ann's underused kitchen, while the usually surly Nate forms an alliance with his ailing grandfather. Lauren blossoms under Eileen's guidance, and even workaholic Mike finds time to attend high-school football games. But it's Ann who must make the biggest leap, and confront the choices and values that have kept her floating on life's surface for so long. Timely, poignant, and wise, *The Good Life* is a deeply satisfying and beautifully written story about the complex relationships between parents and children--and the gap that often lies between what we seek, and what will truly make us

whole. "The moving story of a family's rebirth through the simple but profound acts of daily kindness and sacrifice." -Holly Chamberlin, author of *Last Summer* Susan Kietzman is a Connecticut native. She has a bachelor's degree in English from Connecticut College and a master's degree in journalism from Boston University. She has worked in both magazine and newspaper publishing and currently writes grants for the Mystic Seaport Museum. *The Good Life* is her first novel. She lives with her family in Mystic, CT.

Little Peach meets *We Were Liars* in this haunting YA debut about a troubled teen searching for her birth mom who uncovers disturbing family secrets along the way. After her father passes away, seventeen-year-old Rosie is forced to live with her abusive stepmom Lucy and her deadbeat boyfriend, Judd, who gives Rosie the sort of looks you shouldn't give your girlfriend's step-daughter. Desperate for a way out, Rosie would do just about anything to escape the life she's been handed. Then she finds a letter her dad wrote years ago, a letter confessing that Rosie's birth mother isn't dead, as she believed, but alive somewhere—having left them when Rosie was a little girl for reasons he won't reveal. Rosie resolves to find her birth mom, and she'll put everything on the line to make that happen. She hires a PI paid for by her best friend, Mary, who turns tricks for money. Unlike Rosie, Mary's no delicate flower and when she sees the opportunity to make some cash and help out her closest friend, she takes it. Romance blooms when the PI Rosie hires hands the case off to his handsome nephew Mac, but Rosie struggles to keep her illicit activities with Mary a secret. Things begin to unravel when Rosie starts getting creepy anonymous texts from johns looking for Mary. And then there's Mary, the one person Rosie can count on, who's been acting strangely all of a sudden. As Rosie and Mary get closer to finally uncovering the truth about Rosie's mom, Rosie comes face to face with a secret she never saw coming. A visceral, poignant tale of friendship, sacrifice and identity, *Rosie Girl* is an unforgettable debut that will leave you guessing till the very last page.

High school senior Meg revels in being a rebel; cutting class whenever possible and hanging out anywhere she's not supposed to be. Like on a railroad-tracks-covered bridge that's off-limits to trespassers. When she and her friends are busted for trespassing and underage drinking, she's sentenced to spend her spring break riding along with a rookie police officer on his nightshift patrol. To make things worse the cop, John After, is only two years older than Meg, and is sure that he knows all he needs to about her. John has nothing but contempt for her childish rebellion, but that's fine, because the feelings mutual - his straight-laced, by-the-book attitude is everything that Meg hates. But they're about to discover that they have a lot more in common than either one of them could have dreamed and, as they're forced to spend time together, sparks fly and a hot attraction between them becomes undeniable...

Graffiti art. It's bold. It's thrilling. And it can get a girl into serious trouble.... Raised by her single mom (who's always dating the wrong kind of man) in a struggling California neighborhood, Angel Rodriguez is a headstrong, independent young woman who channels her hopes and dreams for the future into her painting. But when her entry for a community mural doesn't rate, she's heartbroken. Even with winning artist Nathan Ramos—a senior track star and Angel's secret

crush—taking a sudden interest in Angel and her art, she's angry and hurt. She's determined to find her own place in the art world, her own way. That's when Miguel Badalin—from the notorious graffiti crew Reyes Del Norte—opens her eyes to an underground world of graf tags and turf wars. She's blown away by this bad boy's fantastic work and finds herself drawn to his dangerous charm. Soon she's running with Miguel's crew, pushing her skills to the limit and beginning to emerge as the artist she always dreamed she could be. But Nathan and Miguel are bitter enemies with a shared past, and choosing between them and their wildly different approaches to life and art means that Angel must decide what matters most before the artist inside of her can truly break free.

Fifteen-year-old Mia is not exactly thrilled when she gets the news that her parents are shipping her off to boarding school. It's not like she did anything that bad -- all she did was wreck her dad's car and max out her step mum's credit cards. So, off she goes, from Chicago to Bard Academy, an exclusive prep school that treats troubled teenagers with a healthy dose of higher learning and old-fashioned discipline. But all is not what it seems at this educational institute, and Mia and her classmates soon discover that the teachers are actually ghosts, stuck in limbo, some of them famous authors who died before their time, including Virginia Woolf, Ernest Hemingway, and Charlotte Bronte. And what's even more disturbing is that not all the ghosts have good intentions. Mia and her friends must stop one evil instructor's plan to bring down the school -- and the entire student body with it.
