Larkin Mancinkus prides herself on making the town of Whynot, North Carolina just a little sweeter. As owner of Sweet Cakes Bakery, Larkin gets all the town gossip – the sugar, the spice, and the everything not so nice. So when she finds herself on the tip of everyone's tongue thanks to an encounter with a mysterious and handsome stranger, she learns the true meaning of 'if you can't stand the heat, get out of the kitchen.' Deacon Locke has spent his life traveling the world with no particular destination in mind. But when he rolls into Whynot on his Harley, he just knows there is something different about this town. What he doesn't know is that out of all the places he's traveled and all the people he's met, the gorgeous bakery owner might just entice him to put down some solid roots. Come on down to see what's cookin' between Larkin and Deacon!

The new novel set within the action of the Xbox Game Studios video game Gears 5, by New York Times bestselling author Jason Hough. THE OFFICIAL TIE-IN TO THE EXCITING VIDEO GAMES GEARS 5 AND GEARS TACTICS In the aftermath of Settlement 2's destruction, Kait Diaz reels from the near loss of a close friend amid utter defeat at the hands of the Swarm. To move forward, she must choose either to walk the Outsider path of her mother, or rise to her beckoning duty as a Gear, as her father did. As Kait grapples with her circumstance, an unexpected ally illuminates secrets from the past that offer a new perspective. Over four decades before, the two superpowers of Sera - the Coalition of Ordered Governments, and the Union of Independent Republics - wage a bitter, worldwide conflict known as the Pendulum Wars. For nearly a century, the two have fought to wrest control over Sera's most precious energy resource: Imulsion. On the 79th year of the Pendulum Wars, Gabriel Diaz is a decorated Lieutenant Colonel serving the Coalition, assigned to Vectes Naval Base - a fortress that's seen little action despite its close proximity to UIR territory. The island's relative quiet is disturbed when a COG special forces team known as Ghost Squad arrive with a mysterious mission to the nearby island of Knifespire: an unforgiving rock of seemingly no strategic value. When the Ghosts send out a distress call, it's up to Gabe to evacuate them - and what he discovers on Knifespire could change the very course of the Pendulum Wars. There, the Battle of Gatka Ridge will define Gabe's legacy, and shape the future of his daughter, Kait Diaz.

The official art book for the video game Gears Tactics. Gears Tactics is the fast-paced, turn-based strategy game from one of the most-acclaimed video game franchises - Gears of War. Outnumbered and fighting for survival, recruit and command your squad to hunt down an evil mastermind who makes monsters. In this lavish book, the full development process of the characters, weapons, armor, enemies and environments of the game is uncovered. From initial sketches through to beautiful final production art, the evolution of Gears Tactics is revealed, accompanied by fascinating insight from the artists and developers. Take a step into the war-scarred world of Sera and experience Gears of War from a whole new perspective.
