What will you learn from this book? This brain-friendly guide teaches you everything from JavaScript language fundamentals to advanced topics, including objects, functions, and the browser's document object model. You won't just be reading—you'll be playing games, solving puzzles, pondering mysteries, and interacting with JavaScript in ways you never imagined. And you'll write real code, lots of it, so you can start building your own web applications. Prepare to open your mind as you learn (and nail) key topics including: The inner details of JavaScript How JavaScript works with the browser The secrets of JavaScript types Using arrays The power of functions How to work with objects Making use of prototypes Understanding closures Writing and testing applications What's so special about this book? We think your time is too valuable to waste struggling with new concepts. Using the latest research in cognitive science and learning theory to craft a multi-sensory learning experience, *Head First JavaScript Programming* uses a visually rich format designed for the way your brain works, not a text-heavy approach that puts you to sleep. This book replaces *Head First JavaScript*, which is now out of print.

The second *Phoebe and Her Unicorn* graphic novel! Summer is here, and Phoebe and Marigold are headed to drama camp. Phoebe's expecting some quality time with her best friend, but in a surprise twist, Marigold has invited her sister, Florence Unfortunate Nostrils! While the unicorn sisters head to camp in a magical rainbow pod, Phoebe is stuck riding with her parents in their boring car, wondering where it all went wrong. But at Camp Thespis, there are more daunting tasks at hand: writing, producing, and acting in an entirely original play! The

second Phoebe and Her Unicorn graphic novel is a sparkling tale of sisterhood and summer fun, as well as a reminder that sometimes it takes a bit of drama to recognize true friendship.

Learn how declaring God's love will bless you with favor and fulfillment in this uplifting book--perfect for anyone who is determined to find success and spiritual inspiration. God helps you accomplish what you couldn't manage on your own. With His blessings, you stand out in the crowd and get breaks that you didn't deserve. The psalmist said, "God's favor surrounds us like a shield." That means that everywhere you go, you have an advantage, a divine empowerment, and a key to open up the right doors. With Joel's encouragement, you'll see how God's goodness uplifts you every day. He wants you to reach new levels of fulfillment, new levels of increase, new levels of promotion, new levels of victory. You have been called out, set apart, and chosen to live a distinctively favored life. When you realize you have been marked for blessings, you will feel the force of His favor and overcome challenges that you can't face on your own.

"Many dedicated years working for the NYPD didn't mean much when criminal psychologist Trajan Jones was fired from the force. Now living in exile on a dairy farm in upstate New York, Trajan is reduced to teaching an online course in criminal investigation, along with his partner Mike Li, an expert in DNA evidence. But Trajan is called back to duty when a friend in county law enforcement consults him on the suspicious death of several local kids. They're called "throwaways" because their parents have abandoned them, and the official response to their deaths seems equally callous. Trajan and Mike, armed only with their instincts and the help of

a precocious neighborhood boy, fight for justice on behalf of the victims, but it soon puts them in a merciless killer's crosshairs"--

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

“There are at least two kinds of games,” states James Carse as he begins this extraordinary book. “One could be called finite; the other infinite.” Finite games are the familiar contests of everyday life; they are played in order to be won, which is when they end. But infinite games are more mysterious. Their object is not winning, but ensuring the continuation of play. The rules may change, the boundaries may change, even the participants may change—as long as the game is never allowed to come to an end. What are infinite games? How do they affect the ways we play our finite games? What are we doing when we play—finitely or infinitely? And how can infinite games affect the ways in which we live our lives? Carse explores these questions with stunning elegance, teasing out of his distinctions a universe of observation and insight, noting where and why and how we play, finitely and infinitely. He surveys our world—from the finite games of the playing field and playing board to the infinite games found in culture and religion—leaving all we think we know illuminated and transformed. Along the way, Carse finds new ways of understanding everything from how an actress portrays a role, to how we engage

in sex, from the nature of evil, to the nature of science. Finite games, he shows, may offer wealth and status, power and glory. But infinite games offer something far more subtle and far grander. Carse has written a book rich in insight and aphorism. Already an international literary event, *Finite and Infinite Games* is certain to be argued about and celebrated for years to come. Reading it is the first step in learning to play the infinite game.

Offers techniques and strategies for increasing income while cutting work time in half, and includes advice for leading a more fulfilling life.

In the sixteenth century, Antinous Bellori, a boy of eleven, is lost in a dark forest and stumbles upon two glowing beings, one carrying a spear, the other a flaming torch ... This event is decisive in Bellori's life, and he thereafter devotes himself to the pursuit and study of angels, the intermediaries of the divine. Beginning in the Garden of Eden and soaring through to the present, *A Time for Everything* reimagines pivotal encounters between humans and angels: the glow of the cherubim watching over Eden; the profound love between Cain and Abel despite their differences; Lot's shame in Sodom; Noah's isolation before the flood; Ezekiel tied to his bed, prophesying ferociously; the death of Christ; and the emergence of sensual, mischievous cherubs in the seventeenth century. Alighting upon these dramatic scenes – from the Bible and beyond – Knausgaard's imagination takes flight: the result is a dazzling display of storytelling at its majestic, spellbinding best. Incorporating and challenging tradition, legend,

and the Apocrypha, these penetrating glimpses hazard chilling questions: can the nature of the divine undergo change, and can the immortal perish?
