Richard Connell (1893-1949) was an American author and journalist. This short story, which is his most famous, is an action-adventure tale inspired partly by the big-game safari tours in Africa and South America that were popular in the 1920s. This tale was also influenced by Connell's experience in World War I, which may have contributed to the story's message.

CommonLit | The Most Dangerous Game | Free Reading ...

In “The Most Dangerous Game” Richard Connell successfully sustains the suspense with his skillful use of diction and setting as well as the carefully crafted antagonist, General Zaroff. Richard Connell’s use of setting to increase the suspense is impeccable. In the beginning of the story, when Rainsford and some crew members are discussing ‘Ship Trap Island’ one of the crew members says “The place has a reputation, a bad one” and another says “This place has an evil name ...

From one of America’s most popular short story writers and an Academy Award nominee: the O. Henry Award–winning tale that inspired the movie The Hunt. A subject of mysterious rumors and superstition, the deserted Caribbean Island was shrouded in an air of peril. To Sanger Rainsford, who fell off a yacht and washed up on its shores, the abandoned isle was a welcome paradise. But unknown to the big-game hunter, a predator lurked in its lush jungles—one more dangerous than any he had ever encountered: a human. First published in 1924, this suspenseful tale “has inspired serial killers, films and stirred controversy in schools. A century on, the story continues to thrill” (The Telegraph). “[A] tense, relentless story of man-against-man adventure, in which the hunter Sanger Rainsford learns, at the hands of General Zaroff, what it means to be hunted.” —Criterion

The Most Dangerous Game, also published as The Hounds of Zaroff, is a short story by Richard Connell first published in Collier’s magazine on January 19, 1924. It features a big-game hunter from New York who falls off a yacht and swims to an isolated island in the Caribbean where he is hunted by a Cossack aristocrat. The story is an adaptation of the big-game hunting safaris in Africa and South America that were fashionable among wealthy Americans in the 1920s.

What begins as a test of bravery or a sleeperop activity—chanting in front of a mirror, riding an elevator alone, taking pictures in the dark—can become something . . . dangerous. This compendium collects the most spine-chilling games based on urban legends from around the world. Centuries–old games such as Bloody Mary and Light as a Feather, Stiff as a Board are detailed alongside new games from the internet age, like The Answer Man, a sinister voice that whispers secrets to whomever manages to contact him with a cellphone. With step-by-step instructions, historical context, and the stakes for each game, this black handbook is the ideal gift for anyone looking for a late-night thrill—but beware who, or what, may come out to play.

answer choices The last line leaves the reader to conclude that the events of this story have all been a dream Rainsford had while asleep on the yacht. The last line leaves the reader to infer that Rainsford has killed Zaroff, making the ending a triumphant victory for civilization and American values.

An explosive and historic book of true crime and an emotionally powerful and revelatory memoir of a man whose ten-year search for his biological father leads to a chilling discovery: His father is one of the most notorious-and still at large-serial killers.

The 1980s saw the peak of a moral panic over fantasy role-playing games such as Dungeons and Dragons. A coalition of moral entrepreneurs that included representatives from the Christian Right, the field of psychology, and law enforcement claimed that these games were not only psychologically dangerous but an occult religion masquerading as a game. Dangerous Games explores both the history and the sociological significance of this panic. Fantasy role-playing games do share several functions in common with religion. However, religion—as a socially constructed world of shared meaning—can also be compared to a fantasy role-playing game. In fact, the claims of the moral entrepreneurs, in which they presented themselves as heroes battling a dark conspiracy, often resembled the very games of imagination they condemned as evil. By attacking the imagination, they preserved the taken-for-granted status of their own socially constructed reality. Interpreted in this way, the panic over fantasy-role playing games yields new insights about how humans play and together construct and maintain meaningful worlds. Laycock’s clear and accessible writing ensures that Dangerous Games will be required reading for those with an interest in religion, popular culture, and social behavior, both in the classroom and beyond.

The Map of My Dead Pilots is about flying, pilots, and Alaska, the beautiful and deadly Last Frontier. Author Colleen Mondor spent four years running dispatch operations for a Fairbanks-based commuter and charter airline, and she knows all too well the gap between the romance and reality of small plane piloting in the wildest territory of the United States. From overloaded aircraft to wings covered in ice, from flying sled dogs and dead bodies, piloting in Alaska is about living hard and working even harder. What Mondor witnessed day to day would make anyone’s hair stand on end. Ultimately, it is the pilots themselves—laced with ice and whiskey, death and camaraderie, silence and engine roar—and their harrowing tales who capture her imagination. In fine detail, this series of stories reveals the technical side of flying, the history of Alaskan aviation, and a world that demands a close communion with extreme physical danger and emotional toughness.
