Get Free This Is My Faith Hinduism This Is My Faith Hinduism Each book in the enlightening This Is My Faith series features true-life photographs and interviews with a child who talks about his or her faith and discusses its role in the life of the family. Boys and girls speak of the rituals, obligations, and joys that are basic to their religions.

Every author believes that his or her book is meant for everyone. In this respect, however, I am the biggest beneficiary. In the process of writing these reflections for over ten years, and lately compiling and editing them, I have finally understood my faith deeply. Consequently, confidence that I lacked about Hinduism during my adult years has been replaced with pride in graying years! At times, it has taken me to such a height that in a few reflections, I have propounded a thesis that India will be a true secular country only when it will be constitutionally a Hindu state. The practice of secularism in India since 1947 has been reduced to anti-Hinduism and Hindu bashing-paradoxically more so by Hindus than by non-Hindus. It is making India porous for attacks by the terrorists, who are both homegrown and foreign-based. History is repeating itself! The Hindus remain totally divided in half a dozen political parties. A sterling lesson of India's history is that traders, preachers, and persecuted humanity of every foreign faith were permitted, sheltered, and welcomed by the Hindu kings whose kingdoms stretched from the coasts of Malabar in Kerala to Kuchh in Gujarat to Karachi in Sindhstarting more than one thousand years ago. Doesnt it make pristine Hinduism akin to humanism? What an incredible journey of this realization to dawn after nearly six decades!

While the Hindu population is growing rapidly in the United States, most American Christians don't know enough about Hinduism to effectively present Christ to this group. The author, an Indian now living and teaching in a Bible college in the United States, helps readers understand the types of Hinduism they're likely to encounter, tips and methods to reach out to Hindu friends, and suggests answers to Hindu concerns about Christianity. The book also can be used by missionaries in India and Asian countries.

A simple introduction to some of the beliefs, ways of worship, traditions and festivals of the Hindu religion.

Every author believes that his or her book is meant for everyone. In this respect, however, I am the biggest beneficiary. In the process of writing these reflections for over ten years, and lately compiling and editing them, I have finally understood my faith deeply. Consequently, confidence that I lacked about Hinduism during my adult years has been replaced with pride in graying years! At times, it has taken me to such a height that in a few reflections, I have propounded a thesis that India will be a true secular country only when it will be constitutionally a Hindu state. The practice of secularism in India since 1947 has been reduced to anti-Hinduism and Hindu bashing-paradoxically more so by Hindus than by non-Hindus. It is making India porous for attacks by the terrorists, who are both homegrown and foreign-based. History is repeating itself! The Hindus remain totally divided in half a dozen political parties. A sterling lesson of India's history is that traders, preachers, and persecuted humanity of every foreign faith were permitted, sheltered, and welcomed by the Hindu kings whose kingdoms stretched from the coasts of Malabar in Kerala to Kuchh in Gujarat to Karachi in Sindh-starting more than one thousand years ago. Doesn't it make pristine Hinduism akin to humanism? What an incredible journey of this realization to dawn after nearly six decades!

Gandhiji was born a Hindu. But his Hinduism was his own. It had its roots firm in ancient Hinduism, but it grew and developed in the light of his contact with other religions, more especially Christianity, as will be seen from Section Two of this volume. He sought to drink at the spring of all religions, and therefore he felt that he belonged to every religion. And yet, if he had to have a label, the label he preferred and which was his not only by right of birth but also intrinsically, was Hinduism, the religion of his forefathers.

"The Test of my Hindu Faith," is about our lives, sacrifices, the Pandemic (we all faced), health, and kindness. The much needed "Kindness."Every family should have this book. Especially, if you have children. Teach them all about life.

The Hindu Way: An Introduction to Hinduism, the new book by bestselling author Shashi Tharoor, whose last three books have sold over a quarter of a million copies in hardback, is the perfect introduction to one of the world's oldest, largest and most complex religions. Although there are hundreds of books on Hinduism, there are only a few which provide a lucid, accessible, yet deeply layered account of the religion's numerous belief systems, schools of thought, sects, tenets, scriptures, deities, rituals, customs, festivals and philosophies. This book is one of them.

Find out all about the faith of Hinduism through the eyes of Babu, a young Hindu from Nepal. In her own words, Babu talks about her beliefs, her family, her everyday life, the rituals and traditions that are important to her, and about the festivals and special days that are celebrated by Hindus around the world.

Table of contents

If you listen closely enough to teenagers, you'll hear their deep yearning to connect with God, and a powerful instinct to belong. And you'll find out right away the one thing they really hate--being preached to. Here in My Faith, My Life, teenagers learn all about the Christian faith they've been baptized into - and the Episcopal Church that offers them a spiritual home. With lively writing that's always informative and never condescending, the book gives them all the basics they need to know to understand their faith - and claim it as their own. Closely linked to the Book of Common Prayer, My Faith, My Life covers everything from scripture, church history, and sacraments, to the meaning of prayer and ministry in the lives of real teens today. This is the essential handbook for teens in the Episcopal Church - an excellent resource for confirmation classes, youth study groups, and high school Christian education programs.
