When the topic of grandchildren comes up during a weekly sewing circle the matriarchs of the founding families seek out the witch Elder to scry to see if their sons have mates. They are shocked to discover that many of their son's mates are out in the world and are human! Fearing that their future daughter in laws will end up dead before being claimed and providing them with grandchildren to spoil, they convince their own mates that something must be done. After gathering all of the warriors together in a fake award ceremony the witch Elder casts a spell to pull the warrior's mates to them, whether they want it or not. Aiden McKenzie is adamant that he doesn't need a mate and that she would only get in the way. He doesn't have time to coddle a female. He likes his world run with military precision. In the first twenty-four hours she kicks, screams and knocks her bear shifting mate unconscious. Eventually they discover that life before finding each other may have been good, but life afterwards is perfect, even if it involves super soaker battles and accidentally discharging hand grenades. Eleanor Kimball is called to the city to see if she can determine what is wrong. As a pediatrician Eleanor loves children and desires many of her own, however, after several dating disasters she has not only sworn off men, but has given up her dream of a family, and the promise of a destined mate. After discovering Grant in Noctem Falls she is faced with her own insecurities and finds it hard to believe in his love. Grant Douglas is a man of few words and doesn't do well surrounded by others. He is scared to death of finding a mate. He believes the harshness of his past, where he struggled to survive, didn't cultivate a gentle heart. After a series of terrifying nightmares where his mate is at risk, Grant has decided he doesn't want a mate at all. When he meets Ellie, he realizes there are some things worth fighting for. Even if it means putting himself out there by becoming the Alpha he was born to be and facing the power he desperately tries to hide. As Ellie starts to believe in Grant's love it will take every ounce their combined strength to discover why the shifter children are suddenly falling ill before it's too late.

Fun loving wolf-shifter Colton Albright's usual concern...his next meal, has been replaced by haunted dreams. The nightly visions of the sad, anxious face of his mate have this jovial jokester withdrawing from his fellow Alpha Unit members. Rheia Bradley

When she arrives in Lycaonia seeking the protection of the warrior units, Colton is ecstatic to discover that she's his mate. His relief is quickly eclipsed by one small problem, a tiny, solemn four-year-old girl who happens to be his mate's adopted daughter. Which means... he is now a father! While Rheia settles into her new job, Colton and all his fellow warriors are about to get a crash course on little girls. The men quickly learn that not one ounce of their centuries-long training has prepared any of them for this precocious child. When Rheia uncovers something about their enemy that puts her name next to her daughter's on their hit list, Colton is willing to do anything to keep his new family safe. But will it be enough?

They creep ever closer to the Alpha estate putting the men on high alert. But as the days get shorter and the nights get longer Elizabeth begins to wonder, which is the bigger threat? The enemy or her mate?
