"Why Conexiones?"

Welcome to the sixth edition of Conexiones: Comunicación y cultura! Since the very beginning we have worked to provide a complete intermediate program that brings a broad learner audience to a true intermediate level of proficiency.

With each edition, we strive to provide continuity from first- to second-year Spanish with engaging and pedagogically sound materials. After completion of our program, when learners go to use Spanish in their work or personal lives, they will have developed

confidence in the language and the ability to express themselves on topics relevant to the issues of our time. Why is Conexiones such an effective tool for language learning? Because it provides solutions to the most common challenges of language teaching: ? A solid yet flexible

bridge from introductory to intermediate Spanish. Our program meets learners where they are, and allows instructors the flexibility of adapting lessons to varying needs and levels. Conexiones takes learners from speaking words and phrases to creating

More is being asked of them with fewer resources. At the same time, language teachers want to spend as much time exposing students to Hispanic culture and practicing communication as they do with grammar. But, there simply isn't enough time or resources.

The result: Many instructors end up galloping through their elementary Spanish text at the expense of their Intermediate course to try to give students the broadest grammatical exposure possible. Now they have a new option: ¡Anda! This Books á la Carte Edition is an
